REPORT

With the ongoing COVID-19 Pandemic, as there was lock down ,in order to fulfil the gap on a webinar was arranged by the organized by the Department of Civil Engineering ,SIR MVIT on 23-05-2020 focusing more on the various avenues for students of Civil Engineering beyond the classroom. The program was conducted over Zoom Platform, and had 120 active participants.

The program started at 10 am IST. Dr. V R Manjunath, Principal, sir MVIT, Mr. H.P Mahendrababu, Head of Civil Engineering Department and Dr Ravi Kumar H, Assosciate Professor, welcomed the gathering and HOD. Then HOD addressed the gathering regarding the various elements related to the webinar and the benefits of attending this programme.

Mr K.V.R.Prasad, Associate Professor, introduced and welcomed the speaker to start with his presentation.

Mr Pranav Pradeep Kumar presented an elaborate, systematic and comprehensive talk on various elements like significance of outside classroom learning, inter-disciplinary learning, and statistics for civil Engineers, software skills and interpersonal skills .The various applications of softwares like STAADPRO,SKETCHUP ,TEKLA and REVIT were discussed

Participants showed active participation by asking questions during the question & answer session, the speaker answered all of the questions. The session ended with thanks to the speaker and Dr Shivanna S, Associate Professor, Department of Civil Engineering, presented vote of thanks to all the participants.
