**TRAINING AND PLACEMENT CELL**

REF: VIT/PLC/OFF/QCG/2021-22

Dated: 10-8-2021

TO: Honourable Principal (kind perusal please)

SIR,

**PREPLACEMENT ORIENTATION AND TRAINING SESSION FOR PREFINAL(2022 BATCH) STUDENTS.**

During the corona crisis, when the students are located at far flung areas, we had been continuously exploring the possibilities of job opportunities for them by tapping all the available option. Our day night efforts clicked very well and for the senior batch(2021 pass out), we could invite 44 companies till date and almost 75% of the eligible lot got offers with package as high as 1173500/-per annum by TARGET CORPORATION, 1087500 /-PER ANNUM by Micro focus and 1040000 /-per annum by PEGA SYSTEM. **The placement process is still on.**

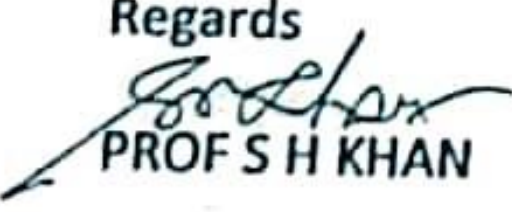

Since many companies are interested to start virtual campus drive for 2022 batch (current pre final) during AUG-OCT cycle, we too thought of tapping this opportunity. Since these students are not fully aware about the recruitment process and professional expectations of the companies, we are planning to conduct preplacement orientation and training session for prefinal (2022 batch) students. The Training schedule is attached.

You are requested to detail Sunil or any other sincere computer qualified person for smooth system operation during the session, as per the dates and timings given in the attached schedule. All 6<sup>th</sup> semester students may please be informed to make themselves available on their system during the session, and keep their system in full preparedness.

The system operator detailed has to share session link with students and keep the system in Full readiness for session by DIRECTOR. The person should remain with Director during the session for any trouble shooting required during session.

Solicit your kind support and cooperation please..

Regards
