ABHIJIT SUDHINDRA

Dear Abhijit,

Congratulations! I am pleased to inform you that the Department of Mechanical and Aerospace Engineering at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2019 semester to the degree of Masters in Mechanical Engineering. You must maintain a 3.0 GPA within your first semester to remain enrolled in the program. Failure to do so may result in dismissal from the program.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to relevant Policies and Procedures of the Mechanical and Aerospace Engineering Department and Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the of students to graduate programs is a shared responsibility of academic departments and the Graduate School. You recently received, or will soon receive, an e-mail message from the Dean of our Graduate School. That message, together with this correspondence, conveys important information regarding UB and your acceptance to our program. General questions about the admissions process should be communicated to the Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

Dear Deepthi,

Congratulations on your admission to The University of Texas at Dallas to the Master of Science in Electrical Engineering program for the Fall 2021 semester! We share your excitement as you begin this new stage in your education.

To accept your offer of admission and begin the steps toward enrollment, visit utdallas.edu/nextsteps/graduate.

You must submit official documentation of your degree completion and final transcripts, and will receive an additional letter of information from the department of Electrical and Computer Engineering that may include additional conditions that must be met.

Your out-of-state, non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or admission@utdallas.edu.

Our faculty and staff look forward to welcoming you to UT Dallas. We promise you a welcoming environment, intellectual challenges, great faculty in your field of study, and a diverse University family.

Dear Sowmya Reddy:

Re: University ID: 2000748410

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Computer Science MS** program beginning in **Fall 2021**. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School. Your financial documentation must show satisfactory evidence that you now have or will have sufficient funds to finance your proposed program of study at Indiana University. **Your financial documentation must be uploaded in Atlas before the Office of International Services can process the appropriate visa eligibility certificate (Form I-20 or DS-2019).** After the Office of International Services receives your financial documentation, they will process the appropriate visa eligibility certificate (Form I-20 or DS-2019) and will send you formal notification of admission along with the visa eligibility certificate.

We would like to receive your decision by **April 15, 2021**, which is in the spirit of the Council of Graduate School Resolution, which states that "students are under no obligation to respond to offers of financial support prior to April 15." If you decide to decline our offer, please let us know as soon as possible as we have more qualified applicants than positions.

Our offer **expires on April 15, 2021**. If you have any questions or need additional information, please contact GoLuddy@iu.edu. Once you have made your decision, please let us know by completing the **Luddy Fall 2021 Student Decision Form** at <https://go.iu.edu/3wVd>.

If you have any questions or need additional information, please contact GoLuddy@iu.edu.

We congratulate you on your academic achievements. We are very excited at the prospect of having

Dear Pavan Kumar Moodala Koppalu Dore Swamy:

Congratulations! I am pleased to inform you that, after careful assessment of your application, you have been granted admission to the following program:

**Master of Engineering
Information Systems Security**

This is your official letter of acceptance. As an international student, you are required to obtain a Study Permit and a Quebec Certificate of Acceptance (CAQ). Please read carefully the enclosed "International Students Pre-Departure Guide" to determine the procedures.

The attached Offer of Admission gives information about the program to which you have been admitted, any conditions that apply to your admission, and further details regarding financial support. If you have any questions regarding your Offer of Admission, please feel free to contact us via email at graduate-admission@encs.concordia.ca. Please confirm your acceptance of this Offer of Admission in your Student Centre at www.myconcordia.ca by June 15, 2020.

To learn more about your program, please refer to the Gina Cody School of Engineering & Computer Science website at <http://www.concordia.ca/ginacody/programs>. Please contact the program assistant for course registration procedures. Contact information can be found in the following pages. You should arrive in Montreal and register for your courses by September 8, 2020.

Given your achievements, potential and academic intent, I believe that your academic interests will be well served by this program. I take this opportunity to welcome you to Concordia University and wish you every success in your studies.

Dear Sushen,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois at Chicago (UIC) beginning in the Fall 2020 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details of advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Dear Nishitha Maniganahalli Venkatesh,

It gives me great pleasure to inform you that you have been admitted to the Graduate School of Syracuse University. The faculty in Applied Data Science has recommended that you be admitted for Fall 2019 as a Master of Science student. When communicating with the University about your admission, please refer to your unique, nine-digit Syracuse University identification number (SUID): 349616391.

We have created a web gateway for newly admitted graduate students that addresses pertinent enrollment information, some of which may require immediate action on your part. I encourage you to consult it as soon as possible. You will find this gateway at the following web address: http://www.syr.edu/gradschool/em/current_gradchecklist.html.

The credentials that you have presented show your qualification to undertake study and research that will be vigorous, stimulating, and, we trust, rewarding for you. Congratulations and welcome to our graduate community, which has been a vital part of the university since its founding in 1870.

By the end of your first semester of study, you must submit an official transcript from your undergraduate institution which must bear the appropriate signatures and seal of the institution that issued it and must be received by Syracuse University in a sealed envelope directly from that institution. Unsealed documents which may have been in the hands of students are not considered official. After completion of the first semester of graduate study, the Graduate School may prohibit further registration for any student who has not met this requirement. The hold on registration will only be released when this requirement has been met. If you are a domestic student, in accordance with federal Title IV regulations, financial aid will be disbursed to the student account when all financial aid and admission requirements are met, including receipt of official degree bearing transcripts. Please refer to http://www.syr.edu/gradschool/em/current_gradchecklist.html for additional information.

Sincerely,

Peter A. Variable, Dean of The Graduate School

Mohammed Mahaboob Khan

By email: khan.m.mahaboob@gmail.com

Dear Mohammed Mahaboob,

Congratulations! I am pleased to inform you that the Department of Computer Science and Engineering at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2019 semester to the degree of Masters of Science in Computer Science and Engineering.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Computer Science and Engineering Department and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. You recently received, or will soon receive, an e-mail message from the Dean of our Graduate School. That message, together with this correspondence, conveys important information regarding UB and your acceptance to our program. General questions about the admissions process should be communicated to the Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

SANTA CLARA UNIVERSITY SCHOOL OF ENGINEERING

Dear Animesh,

On behalf of the School of Engineering Admissions Committee at Santa Clara University, I congratulate you on your acceptance into the Masters of Science in Computer Science and Engineering for the Fall 2019. You are joining a distinguished university in the heart of Silicon Valley and we are excited to see what you can contribute to the engineering field.

Acceptance to the program must be exercised in the quarter for which you have been admitted. To guarantee a place in the program you must respond to this offer within 14 days from the date of this letter. You will find the form to reply to your offer of admission under "forms" link located at the bottom of your application status page. Details on how to pay your \$300.00 nonrefundable enrollment deposit in your Ecampus student portal will be sent to you in a separate email along with your student ID number and temporary password. You must follow these steps in order to complete your admissions.

Please note that you will not be able to register for courses or apply for an I-20 visa (if applicable) without first submitting your deposit.

If you wish to defer your admission to a future term within the same academic year you must first pay the enrollment deposit for the term you were admitted to and submit a request in writing to gradengineer@scu.edu.

Once again congratulation on your admission and welcome to Santa Clara University.

Sincerely,

March 27, 2019

Dear Sagarika Suresh Thimmanayakanapalya,

Congratulations! After careful consideration, the MS faculty admissions committee has accepted your application to the MS in Management Information Systems (MIS) program and is formally inviting you to be a member of the fall 2019 entering class.

Please note that your admission is provisional pending final review by the Office of International Admissions of your application and determination of your eligibility to receive the official documents necessary for a US student visa (should it be required). Additionally, your admission is provisional pending receipt of official transcripts, proof of completion of an earned baccalaureate degree from a regionally accredited college or university by the date of intended enrollment and any other required documents. You will receive further instructions from the UB Office of International Admissions with your I-20 / International Welcome Packet regarding which documents to bring to campus. Do not mail items to the School of Management office as they will be discarded. The University at Buffalo reserves the right to rescind admission and revoke the I-20 Certificate of Visa Eligibility if it learns that any fraudulent documents were submitted, if any false or misleading statements were submitted, or if any required information or documents were omitted as part of your application.

We are enthusiastic about you joining our program. As an accepted student, you are invited to visit our [incoming student website](#). All incoming MS students are required to attend MS Advantage, which runs August 15 through August 16, 2019. We strongly encourage you to arrive in Buffalo by August 14. International MS students must also attend the University's International Student Orientation. Classes begin on August 26, 2019.

If you choose to accept your spot in the UB MS in MIS program please submit your non-refundable \$500 tuition deposit by April 25, 2019. Deposits may be paid via [credit card](#). Your UB person number is required to pay this deposit via credit card. UB Graduate Enrollment Management Services will send you an email on how to access your UB person number within 2-3 weeks after admission notification, but only if you have already uploaded I-20 materials. If you have not uploaded your I-20 materials, please upload them to your application immediately. It can take up to 8 weeks for your I-20 to be issued. *Please note that we reserve the right to refuse tuition deposits received after the deadline.*

Lastly, since networking is such a crucial skill, I encourage you to begin building relationships with future peers and connecting with the School of Management on social media. Please contact the [Graduate Programs staff](#) with questions. I look forward to welcoming you to campus soon!

Sincerely,

Erin K. O'Brien, Assistant Dean

Amrutha, congratulations on your admission to The University of Texas at Dallas to the Master of Science in Business Analytics Cohort program, Data Science track, for the Spring 2022 semester! The class work for this program begins on January 10, 2022.

We share your excitement as you begin this next stage in your educational career. Your program director, Bill Hefley, and academic staff will be here to assist you with any questions or concerns you may have throughout the course of your program.

The next step is to accept your offer of admission, and I hope you accept it as soon as possible.

Please also note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog and on the Academic Calendar, both of which are available online. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management page
- Plan time to visit your Program Director to review the requirements of your degree plan and to remove your advising hold. Please plan several visits while you are a student.
- Closer to the beginning of your semester, you will receive an email with information regarding the Jindal School of Management's Graduate Orientation. Please make it a priority to attend this important event. It will provide an opportunity for you to meet your program director.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study. We have high expectations of you and know that you will find the MS in Business Analytics Cohort Program both challenging and rewarding. Should there be any developments that would affect your status in the program, we ask that you keep us informed.

Best Regards,

William E. Hefley, Ph.D., CMBE, CCP, CDP, COP

Dear Sir/Madam

**OFFER OF ADMISSION
SEMESTER 1, ACADEMIC YEAR 2018/2019**

Congratulations!

I am pleased to inform you that you have been offered provisional admission to NUS in the Department of Biological Sciences, leading to the degree of

**MASTER OF SCIENCE
Full-time Candidate**

This offer is conditional upon you completing your Bachelor's degree and submitting the following documents during registration. You must bring the original documents for verification.

- Photocopy of your Bachelor's degree scroll
- Original or certified copy of your Bachelor's transcript

Period of Candidature

Your candidature will commence from the first day of Semester 1 of Academic Year 2018/2019 on 6 August 2018, OR date of your enrolment, whichever is later. The minimum and maximum period of the M.Sc. candidature is one and three years respectively. Your thesis is due for submission not later than the maximum period of your candidature.

Please note that unless granted approval by the University, no student may concurrently be a candidate for more than one degree or register as a candidate of NUS and of another university or institute.

Tuition Fees

The tuition fees per annum for students admitted in Academic Year 2018/2019 are currently unavailable, it will be updated on the Registrar's Office website at <http://www.nus.edu.sg/registrar/edu/gd-fees.html> as soon as Ministry Of Education advises of the applicable amounts for AY2018/2019.
