Dear Karthik:

Congratulations! I am pleased to notify you of your acceptance to the Mechanical Engineering MS program for Spring 2021.

You are being admitted into a coursework, non-thesis masters degree program. Please be advised that funding is not available from the department as a GTA. GRA decisions are made by individual faculty members but none have expressed a need for GRAs at this time. See FAQ <http://www.mtu.edu/mechanical/graduate/advising/faqs/index.html> and Graduate Handbook at <http://www.mtu.edu/mechanical/graduate/advising/handbook/index.html>

All graduate students are required to complete basic and advanced training in the area of responsible conduct for research. You may fulfill the basic training requirement by attending Spring orientation on 08-JAN-2021 or by completing an online training course.

If you have not already provided our office with your final transcript(s) / diploma(s) indicating proof of previous degree(s) awarded, and a certified English copy thereof, please make sure they have been sent by your previous institution(s) as soon as they are available.

Research and teaching assistantships are awarded by your department and questions regarding this form of aid should be directed to them. Resources to assist you prior to your arrival on campus can be found in the Enrollment Checklist on your personalized MyMichiganTech (<https://www.mymichigantech.mtu.edu>) and on our additional resources website for incoming students (<http://www.mtu.edu/gradschool/resources-for/students/admitted/on-campus/international/>).

Unless your program requires you to arrive at an earlier date, plan to be on campus on or before 04-JAN-2021, which is one week before classes begin. Please report to the International Programs and Services Office (IPS) immediately upon your arrival to campus. An I-20 or DS-2019, if not enclosed, will be sent to you separately. Notify our office as soon as possible if you have had any changes in your mailing address or proposed term of admission.

We look forward to welcoming you to the Michigan Tech Graduate School and wish you continued success in your academic career.

Sincerely,

Jacquie Smith
Director of Graduate Enrollment Services

Dear Shalini Bansal:

We are pleased to offer you admission to the MS program in Mechanical Engineering at the University of California, Riverside (UCR) for Fall 2020.

We wish to extend your much-deserved congratulations and encourage you to ask any questions you wish about the department, the program, and our university. The academic community in the Mechanical Engineering department is a thriving one that we hope you will choose to help diversify it further with your recognized talents. In addition to the program resources, Graduate Division strives to offer programming to support your intellectual growth and provide the tools necessary to meet your professional and educational goals. We hope you will choose to pursue your graduate studies here at UCR!

For us to reserve your space at UCR and generate registration materials, please visit https://gradsis.ucr.edu/gradsis/GSIS_LOGIN.Login_student and indicate your decision no later than February 28, 2020. The accompanying Verification of Support Requirements form will provide you with details regarding the required proof of sponsorship needed to prepare an I-20 form for you to obtain your student visa.

If you have any questions about your offer letter, any forms you receive from UCR, or general graduate student concerns, please contact the Mechanical Engineering or the Graduate Admissions Office. We are here to answer any questions you may have as we understand that this is an important decision that impacts your future.

Congratulations again on your success in being admitted. We look forward to hearing from you soon and welcoming you to the UCR.

Dear Ms. Basapathi Srinivas,

On behalf of the Graduate School of Virginia Tech, I am pleased to inform you that based upon the recommendation of the Computer Science and Applications faculty, we can offer you admission to the Master of Engineering for Fall 2020 at the Blacksburg Campus. Congratulations!

If you have not already done so, please provide an official final transcript(s) indicating that prior degree work has been completed and any applicable official test scores prior to enrollment. Please contact your academic department for further information regarding your admission, including any necessary prerequisites.

At Virginia Tech, we are committed to providing you with a quality graduate education that is intellectually stimulating and professionally focused. We believe in building a strong graduate community. During your graduate study at Virginia Tech, you will have many opportunities to participate in both academic and social activities. I look forward to welcoming you individually to the Virginia Tech graduate student community. Please let us know if you will accept our offer of admission by emailing grads@vt.edu or calling (540) 231-8636.

As you prepare for your studies at Virginia Tech, I encourage you to review our comprehensive online New Student Handbook at <http://graduateschool.vt.edu/admissions/getting-started-as-a-student.html>.

I know that financial assistance is of concern to most graduate students. It is important that you contact your department directly regarding assistantships and other funding questions. You may also visit the Office of Scholarships and Financial Aid website (<http://www.finaid.vt.edu/>) to identify types of financial aid for which you may be eligible to receive.

- The Free Application for Federal Student Aid (FAFSA) is the application for federal student loans and is available January 1st at www.fafsa.gov for US citizens and permanent residents.
- You may file the FAFSA with estimated tax figures if you have not submitted your federal tax return.
- The Office of Scholarships and Financial Aid recommends you submit the FAFSA by early May to give them time to process your financial aid.

To access VT information and services, you will need a Personal Identifier (PID). Your PID and password grant access to e-mail, online course materials (Canvas), Hokie SPA (course registration), My VT (portal system), the university library databases, and more. The Graduate School and many departments communicate with you via your Virginia Tech email account that is accessed with your PID. Please create your PID by following the steps outlined at <https://my.vt.edu/accounts/new/pid>. Your student identification number, needed to create a PID, is the application ID number sent to you confirming your application submission.
