Dear Mr. Sri Sai Prakash Reddy,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2021 semester to the degree of Masters of Science in Aerospace Engineering.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Aerospace Engineering Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at [gradeng@buffalo.edu](mailto:gradeng@buffalo.edu) or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

**Admission Information:** Please review the [new student checklist](#) for important information to get you started in your graduate education at NC State!

Students are admitted to a specific semester or summer term. If you wish to request a deferral of your admission, you must notify the graduate program to which you applied. Your program must then send a written request to the Graduate School asking that your admission date be changed. If this request is approved, your online admission letter will be updated and you will be notified. Please note that admission may be deferred no more than one year beyond the original entry semester/year noted above. You have up to one year from original application submission date to request a deferral. Important information regarding registration is available at the following website: <https://studentservices.ncsu.edu/your-classes/registration/>.

**Enrollment Information:** Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a \$500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term**. Note that some programs may require an earlier deadline for payment

**Immunization Record and Report of Medical History:** Submit your Report of Medical History to Student Health Services immediately upon acceptance to ensure you are in compliance with North Carolina Immunization law. We strongly encourage new students to submit records of required immunizations online at <https://sso.medicalconnect.com>. Check your NCSU e-mail for updates.

**Transcripts:** Please make sure that you have sent the Graduate School official transcripts of all coursework taken and all degrees awarded at any institution of higher learning that you have attended. If you are currently enrolled at such an institution, upon completion of your program there, you should ask the registrar to send the Graduate School an updated official transcript covering all work completed and a statement of any degree awarded, including the date awarded. All transcripts should be submitted prior to your enrollment at NC State.

Dear Ms. Aishwarya Venkatraju,

We are pleased to offer you admission to pursue graduate study in the Computer Science MS for Full Time Attendance Status study for the Fall 2021 Term. We are delighted that you elected to apply to Stony Brook and believe that you will be very satisfied with both the academic and social climate here. We feel that your presence here will contribute to our well-established reputation for excellence in graduate education.

This offer does not include financial support for you in your first term. Please contact the Financial Aid Office to ensure that you have applied for any other assistance such as College Work-Study, Student Loans, etc., for which you might be eligible. We would appreciate knowing whether or not you wish to accept this offer as soon as possible, but no later than May 26, 2021.

As a newly admitted student, you are also required to view the online orientation podcasts and acknowledge you have successfully done so in your SOLAR account (found under "Holds" in the "Action Center" section). The online orientation podcasts can be found under the New and Current Students tab on the Graduate School website.

To accept your offer, please click here.

Dear Naomi Teresa,

Congratulations! It is my pleasure to inform you of your admission to the Biotechnology program at the University of San Francisco. You have made an excellent choice in selecting USF for your graduate education.

This year's application pool was both strong and competitive. You have every reason to feel proud of your accomplishment and I am delighted that you will join our community.

Students at our San Francisco campuses enjoy the Bay Area as their extended classroom, where USF's students benefit from a rich array of opportunities and resources. Students at our Orange campus enjoy the opportunities of the vibrant Southern California region.

All of our graduate students benefit from our challenging and evolving curriculums, small classes and close instruction from accomplished faculty and experts in the field.

Please give special attention to your online admission letter – which you have already received – it includes important and updated information, including how to secure your space in your program. Your online letter is the official admission letter of record.

Once again, congratulations. We look forward to you joining our outstanding community of scholars, and celebrating the background and talents that you bring to your program and USF.

Best wishes,
