Kalanjali 2018 Report

The 21st edition of Sir MVIT's biggest annual event and the most awaited inter-college cultural fest 'KALANJALI' was held this year on the 12th and 13th of October, 2018. The two-day event was enhanced in all its aspects and taken to the next level surpassing all expectations right from the very exciting prize money to the magnificent main stage.

Weeks prior to the day of KALANJALI, were filled with various promotional activities like street dance and numerous quizzes held across social media platforms that had our students and all participants at their toes! Video teasers of the fest were released as well that further fuelled the anticipation among all.

The core team consisted of thirteen coordinators guided by our Chief Cultural Coordinator, with over a hundred volunteers, students and faculty alike that worked in tandem to make the fest a success.

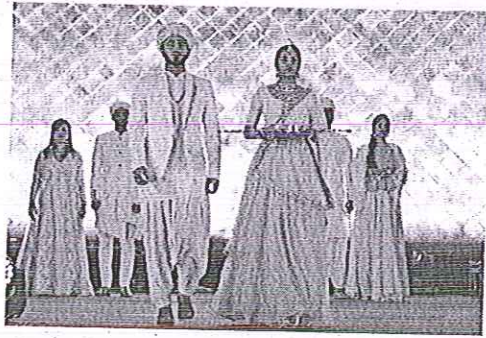

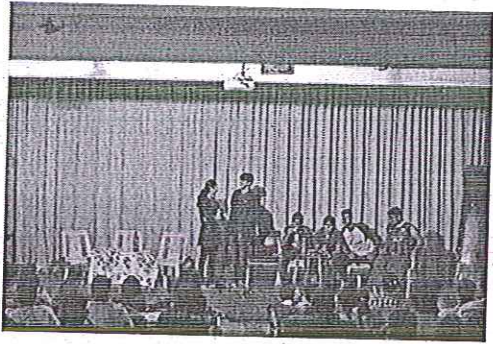

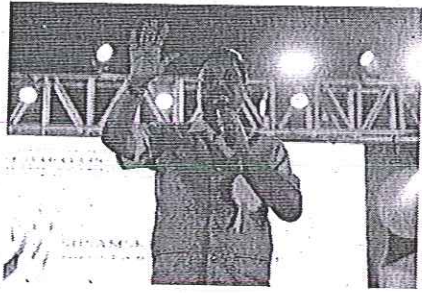

The two-day fest began with an invocation of almighty's blessings. Following which the fest inaugurated by renowned Sandalwood personalities Ramakrishna and Shravya Rao along with the very talented Yograj Bhat.

Kalanjali 2018 was a successful improvisation and elevation of its predecessors, determined to take everything up a notch. Various group event prizes were upgraded to encourage participation of a variety of college teams for an exhilarating competition. Efforts were put into making the external stage setup with a mega structure in the ground next to the main block. LED screens with an innovative design structure lit the background of the stage. Lighting trusses were used to support hundreds of moving lights and LED's that enhanced each performance. And the eight huge pope hanging speakers had the whole campus resonating with bass and rhythm.

We had 41 events across varied categories like Literary, Fine Arts, Dance, Theatre, Music, Sports and Technical held across 12 venues and owes its success to the hard work and perseverance of all the volunteers and organizers, conducted under the leadership of the Cultural Convener and our Principal with the unshaken faith and support of all the office bearers and trustees of Sri KET.

Without doubt Kalanjali 2018 was the best yet and a forerunner of better ones to come with more innovative advancements to tackle the ever-changing expectations of the youth.

Verve 2018 Report

On the 27th of September 2018, we at Sir MVIT hosted and celebrated one of our most anticipated and beloved Intra College Cultural Fests of the year, Verve. Verve allows students a platform not only to explore and showcase their extracurricular talents but also portray and embrace our rich Indian Culture as girls and boys adorn ethnic attire with pride.

Preparations for Verve began a week prior to the day of the Fest that included Promotional events that were definitely a crowd pleaser as they encouraged and ensured maximum student involvement and participation. An exceptional crowd of around 800 students came together to be a part of Verve with over 200 participants.

A variety of literary, fine arts, dance, theatre, music events etc. were conducted at seven different venues across the campus. Each venue had its own group of volunteers who endeavored smooth execution of every event.

Unlike previous years , food trucks including 'Hit And Run' , one of the best food trucks in the city served delicious food on the day . Some students even put up their own stalls of games and snacks.

All in all Verve 2018 stands as a successful amalgamation of sincere efforts of students from across all branches, faculty members and the constant support and guidance of our HODs. A perfect blend of culture, fun and passion, we hope and look forward to better, brighter and more eventful years ahead.
