- 1. All the Managements, Principals, Faculty and Staff members of constituent, affiliated and autonomous colleges are requested to extend their whole hearted cooperation towards the successful completion of the three week IP.**
- 2. As per the guidelines of AICTE, three week IP has been introduced for the 1st Semester Engineering students admitted for the academic year 2018 – 2019 under VTU.**
- 3. This is in view of developing inquisitiveness over technical education among the stakeholders (engineering students)**
- 4. IP consist of three phases namely Initial Phase, Regular Phase and Final Phase. Initial and Final Phase will have two days each and regular phase will run for 17 days**
- 5. Familiarization of procedure, scheme and syllabus, guidelines, examination system is outlined in the first phase, in addition to this, various functionary, infrastructure and facilities created by the college/institute is also outlined in the initial phase**
- 6. In the regular phase in order to develop competency over physical activity, creative arts, universal human values, literary activity, proficiency modules, personality development, event management and leadership qualities, 14 day well blended schedule with grasping, speaking, writing, model making, involvement in the skill and sports activities, lecture by eminent people and visit to the local areas have been planned and record to use this data/ information in future effectively.**
- 7. Plenary session may be conducted in the main venue with all the stakeholders through the presentation type of activities**
- 8. It is desirable to address the students in small group of 20-30 for the activity based programs for successful implementation of IP**
- 9. The outcome of IP and effectiveness will be evaluated in the final phase through quiz, debate, oral and written examination. Performance in the various skills, planned events, and performance in sports and competitive spirit in the team matches are also will be evaluated.**
- 10. Qualitative feedback will be collected from the stake holders for the further improvement of the IP.**

VISVESVARAYA TECHNOLOGICAL UNIVERSITY - BELAGAVI

1st Semester BE, Three Week Induction Program (IP)

- 11. The schedule of the three week is arrived based on experience, feedback and activities of the VTU and the institution. The effectiveness of the implementation of the IP depends upon the involvement of the Principal faculty, staff members and senior students of the institutions.**
- 12. The program schedule is generic and discrete in nature therefore the Principal of the colleges can rearrange the schedule as per the prevailing practices of the region and also based on the strength of the stakeholders.**
- 13. Principals are requested to maintain the individual documentation such as registration to the activities, time table of the schedule, list of faculty and staff involved. Performance of the students in the activity, evaluation rubrics, and certificate issued for the best performer and evidential proof for having been performed in the activity along with the feedback forms collected from the stakeholders are also to be documented.**
- 14. Principals are requested to plan additional classes required for the completion of the syllabus of the first semester well within the calendar of events published by the VTU by curtailing the semester break holidays after the first semester.**

A Report of Phase-I: 10-Days Student Induction Program (SIP)

The “10-Days Students Induction Program (SIP) Phase-I” for the first year B.E. degree students of 10 branches was conducted in our college at main auditorium from 1st Dec to 10th Dec 2022.

The objective of the program was to make the students feel comfortable in their new environment, to set up a healthy daily routine, create bonding among students as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large and nature.

The sessions consisted of activities and events in line with the AICTE & VTU directives. More than 700 students benefitted from this 10-day program, which was held at our main auditorium.

Most of the speakers were HoDs and Senior faculty members of the Institute. The schedule of 10-days program were structured as Initial phase, Regular Phase and Closing Phase.

The 1st day of the Student Induction Program on 1st Dec 2022 constituted the initial phase. The Program was inaugurated by our beloved Principal Prof. Rakesh. S. G. He gave a very nice inspirational speech to all the students to conclude that the “**future of students lies in their own hands**” by narrating a nice story of “**Student-Teacher and Butterfly**”.

The following were the highlights of the program

- The Students were given the information and prospective of their branch, various facilities and infrastructure available at the Institute by the Head of their department.
- Various sessions were arranged to create an awareness among students on “Academic matters, Accreditation, Cultural activities and college events, Student Support system, AICTE Activity points, Internship and Skill lab, Local Guardian Scheme, Student club activities, Alumni Association, Sports facilities and Library facilities“ among others.
- The placement Director Dr. S. H. Khan addressed the students on “Training and Placement activities”
- The students gained tremendous knowledge on “Importance of yoga, the benefits of doing yoga regularly, the practice of meditation and relaxation to attain peace of mind.” during Yoga sessions.
- The talk on “Pollution control and Environmental protection” emphasized the importance of protecting & preserving our Planet.
- The closing phase of the Induction program included the visit to Sir M. Visvesvaraya’s birth place, VTU PG center at Muddenahalli and other historical place on 30-Dec-2022.
