## **Report on Campus Clean-up Drive - Swachh MVIT Abhiyan on 17<sup>th</sup> Feb 2023**

The Eco Club - Nisarga of Sir MVIT, of Susamskriti in association with NSS - National Service Scheme - Sir MVIT Chapter and Institution's Innovation Council, conducted a Campus Clean-up Drive - Swachh MVIT Abhiyan on 17<sup>th</sup> Feb 2023.

About 100 students involved in the clean-up drive were from the 1<sup>st</sup> and 3<sup>rd</sup> Semester BE Biotechnology and volunteers of NSS. The students were briefed about the importance of clean-up drive for keeping the campus clean and tidy by the mentors of the Eco Club and NSS (Dr. Sudevi Basu and Mr. Byregowda respectively) and the member of IIC (Dr. K. V. Rashmi).

The students were given hand gloves and biodegradable bags to collect trash from every nook and corner of the campus. The students enthusiastically collected almost 25 large bags of trash containing non-degradable wastes like chips packet, pet bottles, soft drink bottles, plastic carry bags, chocolate wrappers, paper cups with wax and plastic liner etc. After the event, the students were provided with fruit juice and were advised to be the clean-up ambassadors to spread the message to their friends to keep the campus clean and green.

We thank you to all the coordinators, students, Principal, Management for their kind support.
