Activity Report

Activity Date:13-02-2023

Activity Type: IIC Calender Activity

Quarter : II

Theme : "Poster Presentation on "Current Trends in Innovation"

As per the guidelines of MHRD and AICTE of Government of India, the Institutions's Innovation Council of Sir.M.Visvesvaraya Institute of Technology conducted a Poster Presentation as the IIC Calendar activity Theme:"Current Trends in Innovation on 13h Feb 2023 for UG & PG students.The coordinator of the event was Prof.R.Latha and Dr. Soumya Patil. The theme for the poster presentation was Medical Science and Health care, Material and Manufacturing and Infrastructure. The jury member for the event was Dr. G C Bhanuprakash, Professor in the department of ISE & AI & ML, Sir MVIT, Bengaluru and Dr. H L Suresh Professor,Dept. of Electrical and Electronics Engineering in Sir MVIT, Bengaluru.

Dr. G C Bhanuprakash has two decades of experience in academia, research and industry. He has developed software for Timetable, NBA - SAR Preparation, Co-Attainment tool using Excel, Leave Management, Dispatch Software for College , Student Management System (SIMS),VTU Result Extraction and Analysis Report, Web base Registration Software for VTU Youth festival the "Yuvakalanjali 2017", Question Paper Delivery System (QPDS) for In-house requirement. He holds Ph.D. in Computer Science and Information Science from Dr. MGR University in 2011. He has published 30+ research articles in reputed international journals. His research interest includes Ad- hoc Networks, Sensor Networks, Network Security, Ubiquitous Computing . He is the reviewer committee member of IEEE International Conference INDICON 2008, First International Conference on Computational Intelligence, Communication Systems and Networks, 2009,International Conference on Information Processing ICIP 2010, ICIP 2011,4,Session chair in the International Conference on Advances in Computer Science and Engineering held at Phuket, Thailand, Session Chaired in more than 10 National and International Conference. He also the member of academic bodies of Local Inspection Committee (LIC) - Visvesvaraya Technological University(VTU), Belgaum during academic year 2013-14 & 2014-15, Board of Studies (BOS), Department of Computer Science, SAHE University. SAHE University Nominee Member, for PhD, Scholars, Member, Board of Examiners, SIT, Tumkur, An Autonomous Institution under VTU.

Dr.H.L. Suresh has 29+ years of experience in academia, research and industry .Currently he is working as a Professor Head in the Department of Electrical & Electronics Engineering at Sir M Visvesvaraya Institute of Technology. His research interest includes Power system stability studies, Voltage Stability, computer and Real time applications to Power Systems, Contingency and Security Analysis, Power System Stabilizers, Reactive Power coordination and Dispatch, Smart Grid Technologies, Power Quality issues, Renewable Energy etc. He hold Ph.D. in Electrical Engineering, Visvesvaraya Technological University, India (2010). He is a Advisory/Editorial Board member of Advisory/Editorial Board member of International Journal of Emerging Technology and Advanced Engineering (IJETA), India, Board of Examiner to Adjudicate the Ph.D., Thesis in Vinayaka Mission University Salem, Tamilnadu,Advisory/Editorial Board member of Institute for Exploring Advances in Science &Engineering(IEAE),India,BOE Member of Malnad college of Engineering and Nitte meenakshi Institute ofTechnology,5.BOE Member for EEE Board of Visvesvaraya Institute of Technology, Balgavi-2020-21, BOE Chairman for EEE Board of Visvesvaraya Institute of Technology, Balgavi-2021-22. He has published 30+ research articles in reputed international journals. He has guided 46 UG projects, 5 PG projects and 4 Ph.d students. He is a member in professional bodies of Life Member of Indian Society of Technical Education [LMISTE][LM26773], Life Member of System Society if India [LMSSI][LM24038], Member of Institution of Engineers(India) [MIE] [M-133629-5],Member of International Association of Science & Technology Development [IASTED],Canada, Fellow of Institution of Engineers(INDIA) –F-1268887.He has received Best Paper Award in National Control Instrumentation Systems Conference (CISCON-2005), Nov.11-12, 2005, MIT, Manipal, India, Certificate of Appreciation in recognition of outstanding performance and tireless efforts shown for Ibri College of Technology,2012 and Certificate of Appreciation in recognition of service to IBRICT and Professionalism.25th June 2013,Ibri College of Technology.

There was a cash prize for the best three poster from each theme. Students were evaluated on different parameters as kanowlwdge on research/project work,organization of the presentation,Usage of modern tools & technologies,presentation skills and Question & answer.Results were announced after the event. Likitha R(1MV21MC022) and Kirana Basavaraj Hallur(1MV21MC019) won the prize on theme Medical Science and Health Care of Rs,1500/-, Nitya M(1MV21CS067),Sindhu. N (1MV21CS103 ) and Shubran.K(1MV21CS101) won the prize on theme Material and Manufacturing of of Rs,1500/-,and Harshitha K(1MV21MC014)and Shiva Shani(1MV21MC022) won the prize on theme Infastrutre of Rs,1500/-. Jury members also gave valuable suggestion and input to the students.

## 22 Jury Members Profile

### I. Name of the Jury Members:

- Dr. G C Bhanuprakash
- Dr. Suresh H L

### II. Designation:

- i) Dr. G C Bhanuprakash, Professor in the department of ISE & AI & ML, Sir MVIT, Bengaluru
- ii) Dr. H L Suresh Professor, Dept. of Electrical and Electronics Engineering in Sir MVIT, Bengaluru

### III. Experience: Dr. G C Bhanuprakash

#### Academic

- i) Dr G C Bhanuprakash has 25 years of teaching experience, as Professor , Department of CSE , Sir M Visvesvaraya Institute of Technology.
- ii) Presently working as Professor and HOD, Department of ISE and AI ML

#### Research

- i) Dr G C Bhanuprakash has 5 reseach scholars registered under Visvesvaraya Technological University amongst which one research scholar is awarded.
- ii) Dr G C Bhanuprakash has one research scholar registered under SAHE university Tumkur

### IV. Experience: Dr. H L Suresh

#### Academic

- i) Dr H L Suresh has worked as a Professor & P G Coordinator, Department of Electrical & Electronics Engineering Nitte Meenakshi Institute of Technology
- ii) Dr H L Suresh has worked as a Prof & Head of Section, Electrical Power Engineering Ibri College of Technology, P.O. Box 466, Postal Code:516 Al-Aqder, Ibri, Muscat, Oman

Research

- i) Dr H L Suresh has guided 4 research scholars in Visvesvaraya Technological University

Activity Report

Activity Date:13<sup>th</sup> Jan,2023

Activity Type: IIC Calender Activity

Quarter : II

Theme : Technikal talk on "TECHVISTARA 2.0"

The CLUG MVIT and TECHHUB MVIT organises a Technikal talk on "TECHVISTARA 2.0" for first year UG students on 13<sup>th</sup> Jan,2023 at New Auditorium from 12:30pm. The Speakers of this program was Apoorv Kumar,Vishal Sinha,Ankit Josh,Ayush Rathore ,Mehul Jaiswal ,Kushagra Agarwal,Shreya Raj from 5<sup>th</sup> sem students of SMVIT. The coordinator of the event was Prof.R.Latha and Prof. Suma Swamy. TechVistara 2.0 focuses on giving a brief about trending tech domains like Web development, App Development, Ethical Hacking, Data Structures and Algorithms, System Design and other important topics like personal branding and laptop guide. Dr. V.H Vani Priya, HOD-MCA welcomed the dignitaries, students and other department HOD's for the Event.

A quiz was conducted after the completion of all the sessions. The quiz was well-received by the participants who eagerly participated and attempted to answer the questions to the best of their abilities.

At the end of the quiz, the scores were calculated and the winners were announced. The participants were awarded with various swags for their achievements, which served as a fitting reward for their knowledge and dedication. The winners were thrilled and celebrated their success with great enthusiasm Dr. C.H Vani Priya ,Prof. & HOD-MCA concluded the Event with an interactive feedback session with participants.

Respected Sir,

**Subject:** Seeking Permission and Funding to organize the National Energy Conservation Week (NECW '22) from 14th to 21 st Dec 2022, National Energy Conservation Day on 14th DEC 2022 and Dept. National Technical Fest Electro GrEEEn'2022 on 16 and 17th Dec 2022 @ Dept of EEE, SIRMVIT-reg.

With reference to the above subject, every year we Celebrate National Energy Conservation week from 14th – 21st Dec. In this regards even this year also we have plan to conduct the same and to organize National Technical Fest Electro GrEEEn 2022 and National energy Conservation day on 14th Dec 2022 as part of National Energy Conservation Week 2022.

The Importance of program and Technical Fest is to highlight about Green Energy and Energy Conservation Initiatives to be adopted in all technical activities of day to day Engineering life. We have planned series of technical competitions for students with theme of Green energy and energy conservation and have planned to visit nearby Government School, creating awareness among younger students about energy conservation and use of green energy.

In this regards I would request to sanction sum of Rs 60,000/- (Rupees sixty thousand only) to conduct this 1 week SDP programs. We will be raising the fund through registration from the participants and Sponsorship from various agencies to meet the other financial commitments. The total approximate budget estimated is 1 lakh.

The following is the approximate Budget proposed:

SL NO	Particulars	Quantity	Amount (in Rs)
1	Banners	4'x 8' ( 4 Nos)	Rs 6,000
2	Posters and Slogan play Cards	100 Nos x Rs 100	Rs 10,000
3	Flower Bouquet /plant sampling	50 Nos x Rs. 200	Rs 10,000
4	Refreshment for Jury persons	For all Dignitaries	Rs 5,000
5	Brochure, Invitation	50 Nosx Rs 200	Rs 10,000

*aribaw*

*Recommended by RC  
As per norms 50% Forwarded for kind  
request of the total amount considered.  
requested ie 50,000/-  
may kindly be sanctioned.

## Summary Report

National Energy Conservation Day on 14th December -2022  
National Energy Conservation Week for 14th Dec to 21st Dec  
2022 and National Technical Fest ElectroGrEEEn 4.0 on 16<sup>th</sup>  
and 17<sup>th</sup> Dec 2022 organized by Department of Electrical and  
Electronics, Sir M Visvesvaraya Institute of Technology

Coordinator- Dr. Mahesh. K and Dr. H.L Suresh.

### Description

National energy conservation week is celebrated all over the nation where we all take the pledge towards conservation of energy for the betterment of the nation and overcome the power scarcity crisis. Department of Electrical and Electronics Engineering, SIR MVIT in association with The Karnataka Renewable Energy Development Limited, Govt of Karnataka and Bureau of Energy Efficiency, Govt of India, organized the National Energy Conservation week from 14th Dec to 21st Dec - 2022. **ENERGY CONSERVATION WEEK** was inaugurated on Dec 14 – National Energy Conservation Day with various awareness activities. The main aim was to promote the ideas of energy conservation among the technical minds and to bring in active implementation of the same in their lifestyle. The same frequency was maintained throughout the week by engaging the young minds in various seminars, awareness campaigns and face to face interaction.

We also conducted awareness activity program on Energy conservation, under the banner of ElectroGreen 2022, where the theme was Green Energy and Energyconservation, the program had several events like Quiz, Master Blaster , Essay writing (Kannada, English and Hindi), Blind Art, Debugging in C, Electroloop, JAM, Troubleshooting and various brainstorming activities were organized under the motto of green energy and energy conservation, with more than 500+ students participating from various colleges and prizes was distributed to all the winners. We were able to provide accommodation for participants coming from Mysore, Hubli etc.

## Energy Conservation Day – 14<sup>th</sup> December 2022

On 14th December the event was kick started officially. The department was made captivating by the art of Rangoli at the entrance, which propagated the ideology of Green Energy and energy conservation to the passer by. This turned out to be an eye catcher for the entire celebration.

An inauguration programme was conducted.

Senior Faculty members of EEE dept and various Heads of Sir MVIT, and also Students graced the inaugural function of the programme.

An interactive session was held between the faculty and the students to instil and discuss the ideas of energy conservation to be propagated in the campus. The thoughts and ideas accumulated from the experts was later conveyed to the students. The team marched in and around the campus with various innovative posters, banners and slogans.

The assembled multitudes were also engaged in various seminars and talks on energy conservation were given out by dignitaries. It was an informative experience which brought in ideologies in creating awareness about the energy crisis and to balance out the scarcity.

Rangoli with the theme of Green Energy grabbed the attention and encouraged students to participate themselves in Energy Conservation and Green Energy

## ELECTROGREEN 4.0 - THE NATIONAL TECH FEST

The department of EEE also hosted the National tech fest ElectroGrEEEn 4.0 with the theme of Green energy and Energy Conservation. There was an inauguration programme that was held with the presence of Dynamic Principal Professor Rakesh S.G , Cultural Committee Head Professor K V R Prasad Sir, Dr. G M Krisnaiah, Dr. H L Suresh, Professor and Head of the dept Electrical and Electronic Engineering. Dr. Mahesh K, Professor Faculty Advisor and Professor Dept. of Electrical and Electronics.

The Event was inaugurated by a Roll Down Banner which was one of the finest moments of Sir Mvit and the Dept of Electrical and Electronics. There were many exciting speeches by the honors.

As a gratitude to Mother Earth Principal sir and HOD sir of EEE department Sowed the plant samplings and initiate the Green Movement for the National Tech Fest.

## 8. OTHER EVENTS

ElectroGrEEEn 4.0 also had various funs and learns based events like master blaster, meme making, photography, chess, Technical Dumbcharades, BGMI and Lock N Key. These brought about excitement in participation. Master blaster was an educative relay based on electrical concepts, wherein the group of three individuals had to clear out different stages to be claimed as the winner. Meme making included conveying serious issues and its precautions using humour. Photography enabled to capture the execution and exchange of ideas of energy conservation among the individuals in and around the campus. Chess had a battle on board to defeat the opponent's mind. The sharpest minds were recognized, Technical Dumb charades was a word guessing game where a team of three will be given any technical components name and one of the teammate has to enact it. Lock N Key is also a team of three members where they have to solve a logic gate and end it with a puzzle having a slogan regarding Green Energy.

## PRIZE DISTRIBUTION AND CLOSING OF EVENTS

December 16th was an exciting day. The day was scheduled to sum up the celebrations of energy conservation week 2022 held at the department. The prize distribution was organised in front of the banners and also in the Garden of the EEE department. The measures taken and the ideas given out in a span of a week towards Energy conservation was effectively glimpsed out. Prize distribution was carried out as a sign of appreciation to all the winners of various events. The faculty coordinator Dr Mahesh K officially summed up the entire execution of events and also made a point to convey to the students the role of KREDL in conducting such programs in Engineering colleges. The efforts of all the core team members, coordinators and volunteers, to make the celebration of energy conservation day a memorable success was acknowledged and appreciated. Ultimately the active participation enabled to uphold the need of energy conservation and use of green energy as a substitute among the young minds. The youth being the future of tomorrow were instilled with ideas and sufficient zeal and productive knowledge to carry out the legacy and also educate their predecessors regarding the use of green energy.

- 4. SELECT EVENT THEME: Industrial Visit to KGTTI Bangalore**
- 5. SELECT QUARTER: Quarter II**
- 6. Brochure: No**
- 7. Description (Total no of words: 50)**

An Industrial Visit to KGTTI Bangalore on 22.10.2022. There were 57 participants including both faculties and students.

The Speakers for this Industrial Visit was Mr Manjunath, manager,

- Mr. Manjunath enhanced about Design & Manufacturing of Pressure Die Casting Dies, Injection Moulds, Press Tools, Jigs & Fixtures, etc.,
- Development of Jigs & Fixture
- Import Substitution of Precision components for packaging industries
- Design & Development of Soap Moulds
- Prototype Laparoscope Surgical Tools

**Promotion in social media: Links to FB.**

**Academic Year: 2021 –2022**

Quarter: II

Program Theme: **Industrial Visit to KGTTI Bangalore**

Duration of the activity (In minutes): **7 Hours**

Start date: **22.10.2022**

End date: **22.10.2022**

Number of student participants: **57**

Number of faculty participants: **02**

Number of external participants if any: **00**

Expenditure of amount if any: **---**

Mode of session delivery: **Offline**

**Objective (3 lines):**

This Industrial visit is very helpful in our future practical Life & bring a positive change in our thinking & practical behavior regarding Education & specializing our technical skills.

- Got practical knowledge about the advancement in technology of machines.
- Use of programming in field of Mechanical engineering.
- Precise cutting and surface finishing of the jobs.
- Information on different parts & use of CNC machines with multiple cutting tools.

**Benefits in terms of learning/skills/knowledge obtained**

The students were Inspired and obtained knowledge in various labs, tools, Various Software's, Jigs and fixtures etc....

Respected Sir,

Sub: Requesting for permission & financial assistance to conduct a WEBINAR on the topic "**Angel Investment / VC Funding Opportunity for Early Stage Entrepreneurs**" on 30.08.2022.

With reference to the above subject, this is to bring to your kind notice that, under the umbrella of Institute Innovation Council (IIC), we would like to conduct an online webinar on the topic "**Angel Investment / VC Funding Opportunity for Early Stage Entrepreneurs**" on the date 30.08.2022. The Resource person is Dr. Lakshmi. H, Assistant Professor, Dept of MBA, Nitte Meenakshi Institute Of Technology. This talk is open for students of CSE, IS and MCA students. The details of the expenses are as follows:

Sl no	Particulars	Amount (Rs.)
1	Remuneration for the speaker	2,000/=
	<b>Total Rs:</b>	<b>2,000/=</b>

We request your kind self to kindly permit us to conduct this event and also to sanction an amount of Rs. 2,000/= (Rs. Two Thousand only) from the **CSI account**.

Thanking You,

Yours Sincerely,

4. **SELECT EVENT THEME: Entrepreneurship and Innovation**
5. **SELECT QUARTER: Quarter IV**
6. **Posture: Yes**
7. **Description (Total no of words: 50)**

An online webinar on the topic "Angel Investments / VC Funding Opportunity for Early stage Entrepreneurs" was held on 30.08.2022. There were a total of 120 participants including faculties and students. Out of this, 75 participants joined the webinar by google meet link, while others joined via the youtube link.

The Speaker / Resource person of this talk was:

**Dr. Lakshmi H, (B.E,MBA,PhD),**  
Assistant Professor,  
Dept of Management studies, NMIT- Bangalore

The resource person Dr. Lakshmi. H spoke about "the opportunities that were available for students / people who were planning to create their own start-ups after graduation." She spoke in detail about the financial support that can be obtained by Angle investment, Venture Capital to create startups in various disciplines.

Number of faculty participants: 15

Number of external participants if any: -Nil-

Expenditure of amount if any: Rs. 2,000/-

Mode of session delivery: Online

**Objective (3 lines):**

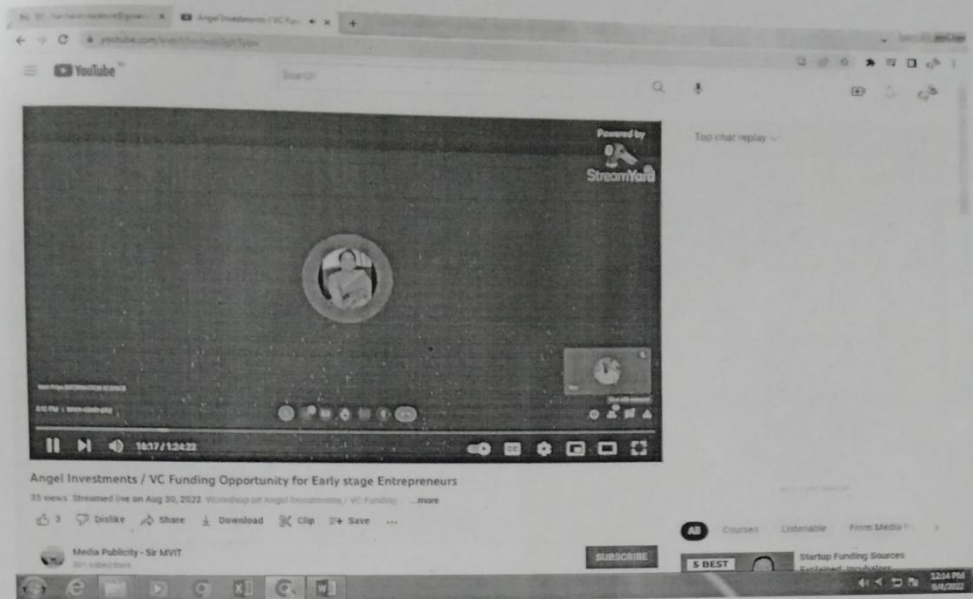

The main objective of this program was:

- to educate the students and the faculty about “the opportunities that were available for students / people who were planning to create their own start-ups after graduation”.
- To create an awareness about “various key areas of fastest growing portfolios for startups”.

**Benefits in terms of learning / skills / knowledge obtained**

The participants (students and faculties) became aware about:

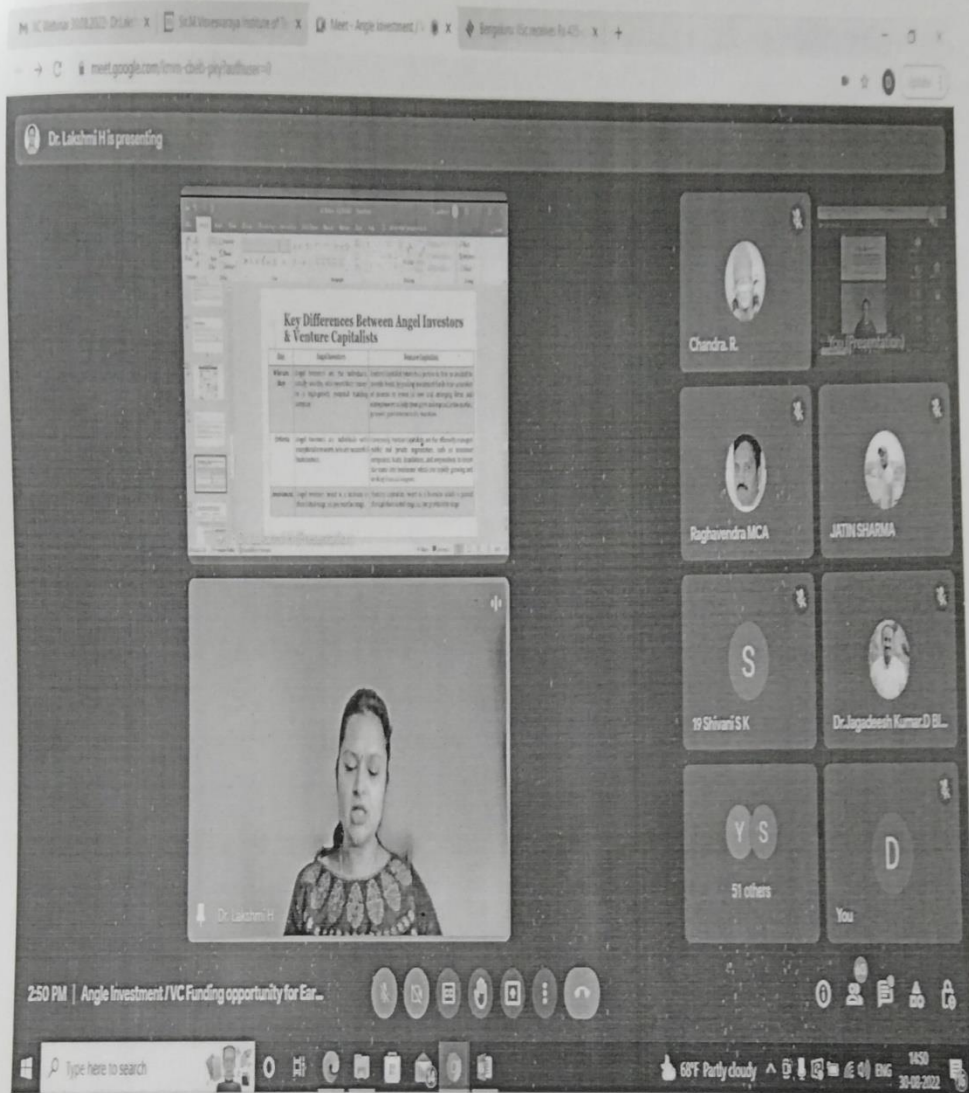

- *“the key differences between Angel Investors & Venture Capitalists”.*
- *“the fastest growing portfolios for startups including Banking, Online courses, Machine learning, Digital content creators, Robotics, Artificial Intelligence among others”.*

Above: Dr. Vanipriya. C. H, HOD-MCA briefing about "IIC and it's activities" to all the participants.

Theme: :“Innovative ways of using SQL Developer Tool”

As per the guidelines of MHRD and AICTE of Government of India, the Institutions's Innovation Council of Sir.M.Visvesvaraya Institute of Technology conducted a Student Developmet Program as the IIC Calendar activity Theme:” Innovative ways of using SQL Developer Tool “on 6<sup>th</sup> August 2022 in MCA Lab 105 from 9:30am-4:30pm.for 2nd sem MCA students.The coordinator of the event was Prof.R.Latha . The Resource persons of this program was Mr.Amrut T,Technical Architect/Technology Manager,Royal Bank of Scotland,Bengaluru.The Main Objective of this Workshop was Understanding the requirements of multiple users and coming up with innovative ideas for outstanding database applications.Automated database application development with the right skills and expertise. 55 students were participated in this event.The inaugural function of Student Development Program started at 9 a.m. in MCA Seminar Hall. Dr.V.H Vani Priya, HOD-MCA welcomed the dignitaries, students and other department HOD's for the SDP. The speaker explained about how to use the Tool in innovative way .The event was successful and interactive where students asked a number of questions and the speaker responded enthusiastically to all of them.
