Inclusive environment through cultural activities

Cultural activities play a pivotal role in enriching societies by celebrating diverse traditions, promoting understanding, and fostering a sense of community. However, for cultural activities to truly fulfil their potential, inclusiveness must be at the forefront of planning and execution. Inclusiveness in cultural activities not only ensures equal participation but also creates an environment where individuals from all backgrounds can engage, learn, and collaborate harmoniously.

Inclusiveness refers to the deliberate effort to welcome, involve, and respect individuals from various ethnic, social, economic, and demographic backgrounds. It emphasizes breaking down barriers and actively creating spaces where everyone feels valued and empowered to contribute. In the context of cultural activities, this involves recognizing and celebrating the diversity of traditions, beliefs, and practices that make up a community.

By embracing diverse cultural expressions and actively promoting participation from all members of the community, cultural activities become powerful tools for building bridges, breaking down stereotypes, and fostering unity amidst diversity. Through these efforts.

Sir MVIT conducts such several culturally enriched programs to have inclusive environment. Inclusiveness in cultural activities is not just an ethical imperative; it is an investment in a vibrant and harmonious society.

KALANJALI-2019

DATE OF EVENT: 18/10/2019 and 19/10/2019

Sir MVIT's Annual Inter Collegiate Techno-Cultural fest, "**KALANJALI**" was held on 18th and 19th of October 2019. The event is organised with the intent to bring out the hidden talents of the students by providing them a platform to showcase the same. The winners of KALANJALI and VERVE from our college represent our college at VTU youth fest, "INSIGNIA" which is the inter-collegiate Cultural fest at the University level.

Kalanjali is the platform for the students to exhibit their talents in the presence of many other competing colleges and instils competent nature amongst the students.

Kalanjali 2019 was inaugurated on 18/10/19 with the gracious presence of esteemed chief guests Ragini Dwivedi (Indian Actress and Social Worker), Nimika Ratnakar (Indian Actress), the members of Sri KET, the in-charge Principal, the staff and students. The inauguration was started off by invocation, lighting the lamp and few words by the dignitaries which symbolised the essence and importance of Culture.

The cultural and technical events were conducted according to a pre-planned schedule. The events were spread out across different venues in the campus. The smooth functioning of these events was accomplished by the organising committee, co-ordinators, and volunteers along with the strong support of the concerned faculty. The event witnessed a footfall of around 3000 and participants of around 500. The event witnessed participants over a span of colleges including colleges which took part in it being not only from other districts such as Mangalore but also other states such as Trichy etc. The management of the entire event was a reflection of the efforts put forth by the entire college and it was evident that the guest colleges were truly impressed by the way the event was organised and carried out.

Kalanjali had a few promotional events which attracted masses to come and make the day successful. The event was thus successful in not only showcasing the talents of the students but also was successful in bringing together the

students and teachers of the various branches thereby exhibiting integral team efforts.

Kalanjali 2019 was a very student friendly and a fun event to be at not only due to the events but also due to availability of different food stalls.

Lunch was arranged for all the staff and organising committee.

"KALANJALI" – Sir MVIT's Prestigious annual event

'Kalanjali' was held this year on the 27th and 28th of October, 2017. This was the 20th edition of the event and has crossed all the expectations of students of Sir MVIT and participants. This year, the two-day's event has been enhanced in all its aspects from the prize money to the magnificent external stage setup.

The month of October was filled with numerous promotional activities ranging from street dances to TV shows & sports quiz held on Facebook and Instagram. Video teasers of the fest were released on social media which did attract a good number of students and volunteers. The core team consisted of thirteen coordinators and were guided by our Chief Cultural Coordinator. Over a hundred volunteers, students and faculty alike, worked in tandem to make the fest a huge success.

The two-day fest started with homage to our martyred Alumni Lt Col Niranjan. Following this was the fest inaugural function graced by renowned Kannada actor Ramesh Bhat and renowned RJ Pradeepa from Radio City 91.1 Bengaluru.

Kalanjali 2017 had a total make over in all the aspects from all its predecessors. Various group event prizes were hiked up to attract majority popular college teams for a marvellous competition. A huge external stage setup with a mega structure was put up in the ground next to the main block. LED screen with an innovative design structure lit the background of the stage. Lighting trusses were used to support hundreds of moving lights and LED's which made each performance breath taking. The hanging eight huge pope speakers filled the whole campus with bass and rhythm.

There were 41 events spanning various categories like Literary, Fine Arts, Dance, Theatre, Music, Sports and Technical spread across 12 venues. We also introduced two new events this year, Beat-Boxing and Mad-Ads. The fest would not have been what it was without its volunteers and organizers. It was conducted under the leadership of the Cultural Convener and our Principal and with the unshaken faith and support of all the office bearers and trustees of Sir MVIT.

The band "Swaha" performed in the evening of the first day which left all the audience astounded. There would be no second thought in considering last year's Kalanjali was the best yet and a forerunner of better ones to come with innovative thinking to tackle the ever-changing expectations of the youth.
