BLOOD DONATION DRIVE

21st July - 2023

**College
Auditorium**

**9:30 AM
Onwards**

Report on Blood Donation Drive – July 21, 2023

Organizers: SPANDANA – Social Outreach Club of Sir MVIT, in association with NSS Sir MVIT & Youth Red Cross Wing, Sir MVIT

Coordinator: Lions Club

Participating Blood Banks:

1. Sanjay Gandhi Institute of Trauma and Orthopaedics, Bengaluru
2. Indira Gandhi Institute of Child Health, Bengaluru
3. NIHANS, Bengaluru

Total Units of Blood Collected: 190 units

Number of Volunteers:

Faculty Coordinators: Dr. Rashmi K. V. and Mr. Byregowda B.K.

Introduction: The Blood Donation Drive was a remarkable event organized by SPANDANA – the Social Outreach Club of Sir MVIT, in collaboration with NSS Sir MVIT & Youth Red Cross Wing, Sir MVIT. The drive was aimed at promoting voluntary blood donation and creating awareness about the significance of donating blood to save lives. The event took place on 21st July 2023 at the Sir MVIT College Auditorium and witnessed enthusiastic participation from students, faculty, and staff. The event was inaugurated by lighting the ceremonial lamp by Principal Prof. Rakesh S. G. alongwith other attendees. In an exemplary gesture, Principal Prof. Rakesh S. G. took the lead and became the first donor of the day. By doing so, he set a remarkable precedent for all participants, showcasing his personal commitment to the cause and leading by example.

Event Details: The Blood Donation Drive commenced at 10:00 AM and continued until 3:00 PM. The Lions Club, renowned for its philanthropic efforts, extended its coordination to ensure the smooth execution of the event. Volunteers from SPANDANA, NSS, and the Youth Red Cross Wing were actively involved in various aspects of the drive, including registration, donor counseling, and post-donation care.

Participation and Donations: The response from the college community was overwhelming. Numerous students, faculty, and non-teaching staff members actively took part in the blood donation process. To ensure a smooth and efficient process, donors were scheduled based on time slots, and adequate arrangements were made to avoid crowding.

The participation of students was highly commendable, as many of them voluntarily contributed to this noble cause, showcasing their concern for society's well-being. Additionally, the drive was open to the public, and several local residents also came forward to donate blood, further bolstering the success of the event.

Awareness and Impact: Beyond the blood donation itself, the event also served as a platform to raise awareness about the importance of regular blood donations and dispel common misconceptions related to the process. Informational sessions were conducted throughout the day to educate donors and visitors about the life-saving impact of blood donation and how it plays a crucial role in emergency medical treatments, surgeries, and treatments for various medical conditions.

Conclusion: The Blood Donation Drive organized by SPANDANA, in association with NSS Sir MVIT & Youth Red Cross Wing, and coordinated by Lions Club, was an incredible success. With the generous participation of students, faculty, staff, and the public, a substantial amount of blood was collected, which will undoubtedly save many lives in times of medical emergencies.

Such initiatives play a pivotal role in fostering a sense of social responsibility among individuals, especially the youth, and create a positive impact on society. The event not only reinforced the importance of blood donation but also showcased the collective power of compassion and empathy.

Highlights of events are:

- Blood donation Drive was inaugurated by lighting of lamp in presence of Principal of Sir MVIT Prof. Rakesh S. G., Members of Lion's club and faculty of Sir MVIT.
- There were around 55 volunteers which included members of both Spandana and NSS who worked helped Doctors of 4 different Hospitals in setting up and collecting blood from donors
- Blood donation was pioneered by Principal of Sir MVIT, Prof. Rakesh S. G., as he volunteered to be the first donor. Followed by this, there were 364 donors stepped forward to donate their blood for this noble cause.
- Faculty, Students and Non-teaching staff of Sir MVIT volunteered for blood donation.
- Doctors checked the eligibility of donor by checking their weight, hemoglobin level, blood group and blood pressure. Once these tests were passed the donor was allowed to donate blood. After donation each donor was awarded with appreciation certificate and some refreshments.
- Around 2:30pm the camp was wined up and in span of 5hrs around 365 units of blood was collected by all hospitals in total.
- Volunteers helped the Hospitals to wind up and clean up the venue.
- Certificates of appreciation by all the hospitals and Lion's club were presented to head of the institution Prof. Rakesh S. G and to NSS coordinator Shri Byregowda by Madam Umadevi, President, Lions Club, Bangalore Airport City, Distt-317E.
