2.1 Fill Attendance

Description

User can perform multiple tasks from here.

(1) User can fill the attendance of lecture or lab. To fill the attendance user has to click on a particular slot. The attendance can be filled in two ways:

(A) Enter roll number as per selection of attendance type.

(B) Tick mark the students who are present.

(2) The quick links are given to print the timetable, get the attendance list, for load adjustment, and many more.

(3) The details of the Lecture/Lab alter are also available here.

(4) The attendance summary division-wise is available.

(5) User can view the pending attendance summary.

Role

3,

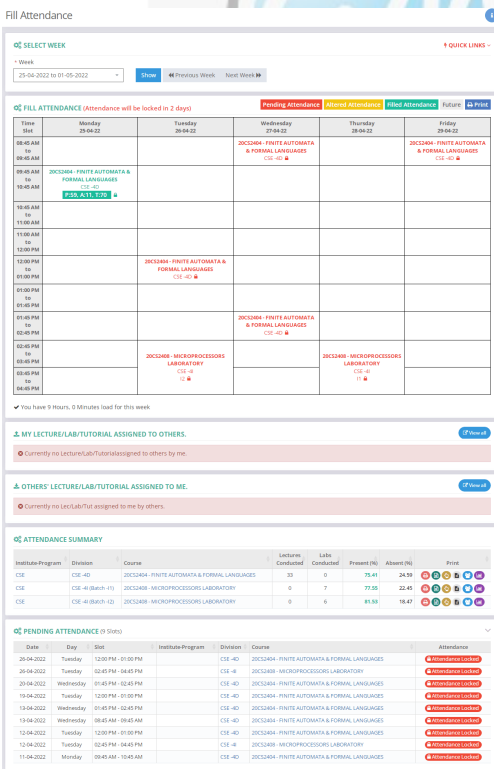

Help

1.) Red color indicates pending attendance 2.) Green color indicates filled attendance 3.) Blue color indicates marked as "no attendance" 4.) Yellow color indicates the altered class In order to fill / edit the attendance, click on the slot that you want to fill attendance for.

Timetable / Attendance - Fill Attendance

Screen

The screenshot displays the 'Fill Attendance' interface. At the top, there's a 'SELECT WEEK' dropdown set to '25-06-2022 to 01-07-2022'. Below this is a 'FILL ATTENDANCE' section with tabs for 'Pending Attendance', 'Altered Attendance', 'Filled Attendance', and 'Future'. The main area is a grid showing a weekly schedule from Monday (25-06-22) to Friday (29-06-22). Each cell in the grid represents a time slot and contains course details like '20C304 - FINITE AUTOMATA & FORMAL LANGUAGES'. Some cells are highlighted in red (pending), green (filled), or blue (no attendance). Below the grid, there are sections for 'MY LECTURE/LAB/TUTORIAL ASSIGNED TO OTHERS', 'OTHERS' LECTURE/LAB/TUTORIAL ASSIGNED TO ME', 'ATTENDANCE SUMMARY' (with a table showing course statistics), and 'PENDING ATTENDANCE' (with a list of pending entries).

Attendance Review - View Filled Attendance

Screen

Attendance Filled

The screenshot displays the 'Attendance Filled' search interface. At the top right, there is an information icon. Below the title, a search bar is visible. The main search area contains several filters: '2021-22' (dropdown), 'ENG - SOE' (dropdown), 'DSU-B.Tech-CSE' (dropdown), and 'Select Division' (dropdown). Below these are 'Enter Subject Name' (text input), 'Select Lab Batch No.' (dropdown), 'Attendance From Date' (calendar icon), and 'Attendance To Date' (calendar icon). There are also radio buttons for 'All', 'Online', and 'Offline', and another set for 'All', 'Regular Attendance', and 'Extra Attendance'. At the bottom left of the search area are 'Search' and 'Clear' buttons. A red banner below the search area states 'No Record Found'. At the bottom of the interface, there is a 'SEARCH RESULT' section with 'No Record Found' and an 'Export' button.

FAQ LIST

1. How to create Syllabus?

Menu	Academics Module - Subject in Academics
Role	Dean

Pre-requisite:
Course must be entered, Teaching / Base Department must be entered

Steps / Description:
Syllabus pattern is a group of subjects/ topics inside subjects to be covered to complete the program. Syllabus pattern can be decided either by governing body or by institute in case of autonomy. There can be common syllabus pattern for multiple batches or there can be different syllabus pattern for different batches.
For example: For 4 year Engineering program, 2016 pattern can run across batches 2016-2020, 2017-2021, 2018-2022 and so on. There can be cases where, if syllabus changes new pattern gets released which may be 2017 and which will be effective from 2019-2023.
Grading Schema: Grading schema is range of percentage by which grade, pointer, SGPI can be calculated.

Special Note:
Inputs Needed
Syllabus pattern year, Syllabus pattern from year, Result type, Passing standard scheme

Functionality
Syllabus pattern creation, Grading schema configuration

2. How to enter course scheme head?

Menu	Academics Module >> Subject in Academics - Subject Scheme Head
Role	Dean

Pre-requisite:
Discipline / stream / faculty must be entered, Course must be entered

Steps / Description:
Discipline / stream / faculty and Course wise display name for teaching Scheme, Internal Examination & External Examination

Special Note:
Inputs Needed
Teaching Scheme, Internal Examination & External Examination display name

6.3 Study Material Dashboard

Description

The dashboard shows the subject-wise thumbnail on the screen. User has to select the LMS season to get the subject thumbnails, generally, the season is created as per odd or even term. Clicking on the thumbnail user will be redirected to that subject details. The dashboard also shows the statistics of assignment submission. User can download the subject-wise assignment result analysis report. Clicking on the thumbnail user can view the entire course details like introduction, content, assignment, test, and announcement of a particular subject.

12.9 Division Wise Students List Preparation

Description

"Once the division is created, there is a requirement of adding the students to the division. User can add the students from here.

- (1) Academic Year: Select the academic year from the list.
- (2) Program: Select the program.
- (3) Term: Select the term Odd or Even.
- (4) Assign to Division: Select the division in which students are required to assign.
- (5) Load From Institute Program: Select the institute program from which the list of students is available.
- (6) On Roll Date: Select the date from which the students are on roll.
- (7) Lab Batch to use: Select the lab batch/s in which students are allowed. "

12.16 Lesson Planning

Description

"User can prepare the lesson/lab plan from here.

- (1) Academic Year: Select the academic year.
- (2) Course: Select the course from the list.
- (3) No of Lecture: Enter the total number of lectures for which the planning is required to prepare.
- (4) Date Wise Planning?: Select 'yes' if planning is required to prepare the date wise else 'no'.

There are three ways to prepare lesson plan. Click on 'show' or 'copy planning' or 'upload from excel'.

- (1) If click on the 'show' button then as per no. of lecture user can enter the planning details. User has to select date (if selected 'yes' in date-wise planning) and course content, enter the planning title and detailed description of it.
- (2) if click on 'copy planning' then user can copy the planning from already created lesson plan. Enter the staff name from whom the lesson planning is required to copy, and select the academic year and course.
- (3) if click on 'upload from excel' then user can download the excel format. User has to enter the lesson plan in it and upload it. "
