"World Environment Day" 5th June 2023

Report

World Environment Day, celebrated annually on June 5th, is a global event aimed at raising awareness and promoting action for the protection of our environment.

Spandana - Social Outreach Club and NSS (National Service Scheme) - Sir MVIT Chapter organized a remarkable celebration for World Environment Day. The event aimed to raise awareness, promote environmental consciousness, and encourage action among the students and faculty members of the institution.

Tree Plantation Drive:

A tree plantation drive was organized within the college campus, focusing on enhancing the green cover and promoting a sustainable environment. Prof. Rakesh S.G., Principal Sir, MVIT and Chief Guest of the day Shri D. Balayya, Sr. DGM, Rites Ltd., inaugurated the event by planting the saplings. Dr. S.K. Uma, Prof. & Head, Dept. of Mathematics & Chair-Kalakausthubha graced the occasion with other HoDs. Students actively participated in planting saplings of native trees, creating a lively atmosphere of environmental stewardship. The activity aimed to encourage the students to take responsibility for nurturing and preserving the campus ecosystem.

Awareness Session by Shri D. Balayya:

This session covered a range of environmental topics such as waste management, renewable energy, water conservation, and biodiversity conservation. Expert speaker shared his knowledge and experiences, engaging the participants in thought-provoking discussions. 120 students across the branches, NSS and Spandana volunteers attended the session.

Clean Up Drive:

As part of the celebrations, a clean-up campaign was organized, focusing on keeping the campus and surrounding areas of Sugatta village clean and free from litter. 400 students from 1st year engineering participated in the cleanup drive. Students formed groups and enthusiastically participated in the campaign, collecting and segregating waste materials. This activity aimed to instill a sense of responsibility and promote the importance of maintaining a clean environment. After this drive, all the students were provided with refreshments before dispersion.

The joint efforts of Spandana - Social Outreach Club and NSS - Sir MVIT Chapter in organizing the World Environment Day celebrations at Sir MVIT were commendable. The event successfully raised awareness, engaged students, and fostered a sense of responsibility towards the environment. Through activities such as tree planting, awareness workshops, clean-up campaigns, the celebrations provided a platform for students to actively participate in environmental initiatives and contribute to ecosystem restoration. Such events play a crucial role in nurturing a generation of environmentally conscious individuals who will be at the forefront of promoting sustainability and creating a greener future.
