INDIAN SOCIETY OF TECHNICAL EDUCATION SIR MVIT CHAPTER

The Indian Society for Technical Education (ISTE) is an leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The strength of ISTE is the strong base it has in technical education institutions in the country. At present, the ISTE has a very large and an effective membership base consisting of 124024 Life Members, 5 lakh Student members, 2734 Institutional Members, 1369 Faculty Chapters, 1479 Student Chapters at institutional level and 17 Sections at State level.

The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organizations.

MAJOR ACTIVITIES OF ISTE:

1. Curriculum development & updating;
2. AICTE-ISTE STTPs for engineering teachers and practicing engineers;
3. Preparation of teacher-manuals & other instructional resource materials;
4. Continuing Education for Working Professionals in selected areas under WPLP of AICTE.
5. Special short-term industrial exposure programmes for teachers organized by industries in their premises;
6. Seminars/workshops/conferences on topics of relevance of technical education;
7. Computer education programmes;
8. Project review & evaluation;
9. Preparation of directories on technical education facilities/expertise;

10. Publication of a bi-monthly ISTE Newsletter;
11. Publication of a quarterly Indian Journal of Technical Education;
12. Publication of ISTE Handbook
13. Publication of Learning Materials in the area of Electronics & Computers;

Major Benefits of becoming an ISTE Member

Becomes a Member of a National Professional Organization with an academic Fraternity of over 45,000 strong professional.

Preference to attend short-term training programme for the academic excellence and to become eligible for career advancement opportunities.

Getting bi-monthly Newsletter (online) Quarterly Indian journal of Technical Education (at concessional rates).
