code to register**

Last date for registration and submission is 25th October

Link for registration is in bio

ASME Sir MVIT & ASME UPES Student Sections in collaboration with **U&I** proudly present a week-long event - "**Rube Goldberg - A Week of Endless Creativity**"

Ever watched videos where a rolling crayon ✎ leads to a domino effect and performs an end task like popping a balloon🎈? Yep! This entire setup is a Goldberg Machine.

Watch a demonstration of this here - <https://tinyurl.com/GBerg-Video>

So here's the challenge - Build a Goldberg machine with daily household items and contribute to the cause

This is in partnership🤝 with U&I - An organization that supports underprivileged children in their learning and education.

All proceeds from this event will go towards making learning accessible to these students and bring a smile to their faces. 😊😊

Dates - 18th - 25th October

Registration fee - Rs 50 + Extra donations (if any)

Cash prizes worth **Rs 2500**

Who can participate👤? - Open to all

Register/ Donate here - <https://tinyurl.com/Goldbergreg>

Payment - GPay or PhonePe to

Shreyas GK (Vice Chair - ASME Sir MVIT)

+91 6363 040 757

Please add remarks as - Goldberg Week

Certificates and donation acknowledgment will be provided
