The Institute is affiliated to Visvesvaraya Technological University and approved by All India Council for Technical Education, New Delhi and is accredited by National Board of Accreditation, New Delhi. Sir MVIT is an ISO 9001:2008 Certified Institution

## **About Karnataka State Council for Science and Technology (KSCST)**

Karnataka State Council for Science and Technology (KSCST) was one of the first State S&T Councils to be set up in the country established in the year 1975 at Indian Institute of Science Campus. It is an autonomous S&T organization under Department of Science & Technology, Government of Karnataka. From the several decades KSCST has been pro-actively engaging itself to identify, propose and implement S&T based solutions to locale specific needs / problems in the broad areas of Water, Education, Energy, Housing, Geospatial technologies and Infrastructure etc in the State. The Patent Information Centre (PIC), KSCST tirelessly willing to create awareness, capacity building, basic and advance training programmes on Intellectual Property Rights (IPRs). Further PIC KSCST is establishing IP cells across Karnataka in Science/Engineering Institutions / Universities.

## **About Cell for IPR Promotion and Management (CIPAM)**

A professional body under the aegis of Department for Promotion of Industry and Internal Trade (DPIIT) which ensures focused action on an issue related to IPRs and addresses the identified objectives of the policy. CIPAM assists in simplifying and streamlining of IP Processes, apart from undertaking steps for furthering IPR awareness, commercialization & enforcement. CIPAM in partnership with industry associations has conducted IPR awareness programmes in various states & also being conducted in Schools, Universities and industries across India.

## **About virtual workshop**

The workshop aims to provide the basic information and awareness on IPR spectrum from innovation to commercialization and also discuss the present scenario of IPR in academia and requirement of the IP Cell. This workshop will cover different topics of IP management from introduction to IPR and best practices of IP Cell in educational institutions by renowned speakers. The key topics that would be covered during the workshop are mainly on overview of IPR, patentability Criteria with case studies, Patenting Procedure, IP Commercialization and Licensing.
