# Yearly Status Report - 2018-2019

Part A			
Data of the Institution			
1. Name of the Institution	SIR M VISVESVARAYA INSTITUTE OF TECHNOLOGY, BANGALORE		
Name of the head of the Institution	Dr.V.R.MANJUNATH		
Designation	Principal		
Does the Institution function from own campus	Yes		
Phone no/Alternate Phone no.	080-2847702425		
Mobile no.	9686353940		
Registered Email	principal@sirmvit.edu		
Alternate Email	sirmvitbgl@gmail.com		
Address	OFF INTERNATIONAL AIRPORT ROAD, KRISHNADEVARAYA NAGAR, BANGALORE-562157		
City/Town	Bengaluru		

Pincode       562157         2. # **CRITERION I – CURRICULAR ASPECTS**

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institution follows the curriculum designed by the Visvesvaraya Technological University (VTU), Belagavi. Based on Visvesvaraya Technological University (VTU) calendar, College Calendar of Events are planned for every semester in our Institution. The following is the process involved in improving effective curriculum delivery Adherence to academic calendar • At the end of the previous semester, elective counseling will be conducted by expert faculty giving an option to the student for choosing any electives. • At the end of the semester faculty members are given an option to elect the subject based on their expertise for better content delivery. • Based on the subject chosen by the faculty, course materials have to be prepared before semester beginning. • The same course material is maintained in the department library and main library for the students reference. • Lab manuals and Question banks are prepared based on previous year question paper and distributed to all the students onwards better learning and preparation for university examinations. • Calendar of events prepared for every semester and displayed for the students reference towards their prior knowledge and preparation for the events.

Instruction methods using pedagogical initiatives. • Based on the course outcomes defined for every course, real time (life) applications are discussed during the class hours. • Step by step analysis of a process is taught using modern tools and innovative Teaching Methodologies. • The students are encouraged to utilize web based learning such as EDUSAT (University online classes), NPTEL videos. • Digital library (journals), IEEE University Consortium. Quality of laboratory experience with regard to conducting experiments • Lab in-charge will prepare lab manuals, cycle of experiments before commencement of semester. • Students are explained with the laboratory concepts every week prior to their conduction of experiment. • Each batch is comprised of three members leading to individual & team-learning process effectively. • Students will conduct the experiments & results are tabulated in the observation book and practical record book. • Student's preparation will be evaluated by continuous evaluation adapted in Lab. • Lab internals are conducted at the end of the semester & evaluated based on their weekly performance, lab internals & for Viva- voce. • Regular absence is monitored by staff in-charge & it is conveyed to parents through HOD, Class teachers & proctor. ? Encouraging bright students &assisting weak students The bright & weak students are identified based on their academic performance. Encouraging bright students • Toppers in the class are identified, displayed their photos in prominent places in college, newsletters & they are awarded with appreciation certificates. • Students are motivated to write proposals, present papers. Assisting slow learners Students • Tutorial classes are conducted for weak students, discussing the problems & motivating students to perform well. Proper care is taken by the faculty members in monitoring the performance, &counseling is done by respective proctors & class teachers.

1.4 – Feedback System		
1.4.1 – Whether structured feedback re	eceived from all the stakeholders.	
Students		Yes
Teachers		Yes
Employers		Yes
Alumni		Yes
Parents		Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Student feedback of Teaching Learning process and actions taken (Feedback file, and Minutes of Meeting with the faculty who gets less feedback i.e less than 60 ) .The students are supposed to fill the online feedback form for each of the faculty, those are handling the subjects for them. The feedback is based on the following parameters. 1.Methodology 2.Self confidence 3.Presentation 4.Encouragement 5.Interest in the class 6.Punctuality and Regularity 7.Discipline 8.Impartiality 9.Motivation This feedback is taken once in a semester. If a faculty gets the feedback below 60, he or she will be asked the explanation and if required, will be counselled by the H.O.D. We get feedback from all the stake holders like Alumni, Parents, Employers, students, faculty members and corrective actions were taken periodically and we have strengthened the Academic system with the help of feedback. We have seen the success of evidence after the corrective actions are taken and implemented based on the Feedback system.

# **CRITERION II – TEACHING- LEARNING AND EVALUATION**

# 2.1 – Student Enrolment and Profile

### 2.1.1 - Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
BE	B.E	750	634	634
Mtech	M.TECH	68	10	10
MCA	MCA	60	11	11
MBA	MBA	120	117	117

# 2.2 – Catering to Student Diversity

2.2.1 - Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	institution	Number of teachers teaching both UG and PG courses
2018	634	138	162	20	9

# 2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), Elearning resources etc. (current year data)

Number of Teachers on Rol	Number of teachers using ICT (LMS, e- Resources)	ICT Toolsand resources available	Number of ICT enabled Classrooms	Numberof smart classrooms	E-resources and techniques used
182	150	2	50	2	6

2.3.2 - Students mentoring system available in the institution? Give details. (maximum 500 words)

Mentoring System The Mentoring System is introduced in the Institute with the intention of providing continuous support to the student community in regards to their academic and personal growth. The system mainly focuses on constantly monitoring the academic performance, cocurricular and extracurricular activities of the students thus enabling their overall growth. Objectives • Monitor the academic performance • Encourage in cocurricular and extracurricular activities • Promote healthy relationship between teacher and student • Counsel during difficult times of student's personal problems • Improve the overall selfconfidence of the student Process At the institution level, a Student Welfare committee is constituted which consists of a student welfare officer and committee members. At the department level, Local Guardian (LG) committee of each department consists of HOD as the chair person, Department LG coordinator and individual teachers as LG Counselors. The HOD monitors the overall functioning of the committee. The appointed Local Guardian has the responsibilities of: Identifying the educational needs of the weaker section of the students, conducting tutorial and remedial classes for them and monitoring their growth. Motivating the creamy layer of the students to get university ranks, do higher studies, become entrepreneurs, and do better in their future career. Develop soft skills, interpersonal relationship, participate in cocurricular and extracurricular activities. The department maintains a LG Diary containing complete details about each student like student profile, semester details, placement details, extracurricular activities and higher studies information. The department allocates 3035 students for each LG

counselor. The students are counseled on a regular basis (i.e. twice a semester) and also on a need basis. LG counselor will take the appropriate measures for their students like, communicating to the parents, talking to the student in person. In the case of students who need extra counseling, the information will be passed on to the HOD and a Individual counselor will prepare a report for the LG students providing the counseling details. Faculty members submit the LG report to the LG coordinator twice a semester. Hard and soft copy of the LG reports will be maintained by the Coordinator and will be sent to the principal's office as and when requested. As part of the LG scheme, Parent Teacher meeting is conducted once a year wherein a provision for parents to communicate with HOD and individual faculty members is provided.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
772	182	1:32

### 2.4 - Teacher Profile and Quality

2.4.1 - Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
772	182	0	8	43

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year )

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies		
No Data Entered/Not Applicable !!!					

### 2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year- end examination	Date of declaration of results of semester- end/ year- end examination				
BE	ECE CSE ISE EEE MECH BT CIV TC	17/06/2019	09/09/2019					
No file uploaded.								

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

• Internal Test Evaluation Scheme of evaluation is prepared by respective subject teachers and evaluated accordingly. The faculties after every internal assessment test, explain the solution of the questions in the class which will enable them to perform well in the final examination. • Assignments Evaluation Unsolved exercise problems are given as assignment in numerical subjects and case studies are given for theoretical subjects. Before each internal test, Assignment questions for the syllabus covered for the each course will be given and submission dates are announced by the respective faculty members. The marks allocated for assignment is based on the scheme. From Academic Year 20192020, the assignments are of different types of activities like Group discussions, Surprise test, Quiz, Case studies, Seminars and mini projects. III. Effective Process Implementation • The department conducts three internal assessment tests and the duration of the test is 90 minutes and question paper is set to make the student to learn time management. . Each test covers one third of the syllabus. • The tests are conducted for a maximum of 50/40/30 marks based on scheme. • Scheme of evaluation is prepared by respective subject teachers and

evaluated accordingly. • For each Internal test evaluation, the total marks is the sum of the test marks scored and assignment marks . • The Final Internal Assessment marks is the average of the marks obtained from two /three test based on the scheme. Conduct of Experiments (Observation in Lab) The University prescribes 2 laboratory subjects per semester and the Laboratories are conducted in a practical session of 3 hours per week for each laboratory. The 2 laboratories are run simultaneously by dividing the whole class into two Batches. The faculty delivers the instructions for the program/experiments to be conducted. The students have to execute the experiments and need to maintain the observation and laboratory records. For safety measures, do's and Don'ts are displayed in every laboratory and students are instructed to strictly follow the same. Continuous Assessment in the laboratory • The faculty will monitor the progress of program/experiment carried out by each student along with error analysis and debugging, conduction of program with manual tracing. • The students will write the programs/experiment in observation book, execute and submit the record in the subsequent week duly written with all the information related to the program/experiment. Viva questions will be prepared in advance for all the experiments and provided to students before the university examinations. • At the end of the semester an internal practical tests is held in line with university practical examination and marks are awarded . • At the end of semester, students are evaluated with respect to their understanding level of the program. In 2018 Scheme. the total marks for the Lab is 100 marks out of which internal marks is 40 and external exam marks is conducted for 100 Marks reduced to 60 marks by VTU. The allocation of marks for total IA of 40 marks is Attendance 5Marks, Observation 5

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

VTU prepares academic calendar per semester each year and notifies each college. SIR MVIT makes institute calendar of events, which will be in line with the University's Academic calendar. The academic calendar includes the dates for registration and the commencement of classes and the last working day of the semester. It also includes the general holidays, and the dates for college fests like Kalanjali, Fresher's day etc. The dates for all the internal tests also will be published in the calendar Adherence to VTU and Institute Academic Calendar • Based on the academic calendar of the college, lesson plan with course outcomes are framed by the subject handling faculty before the semester commencement and approved by Head of the Department. • According to the lesson plan, record of class work will be inculcated in the Attendance register of each subject by the respective faculty members to ensure coverage of syllabus monitored by Head of the Department.

#### 2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

#### https://www.sirmvit.edu/

#### 2.6.2 – Pass percentage of students

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage

of students.Laboratory Record of maintenance account is maintained by lab technicians and supervised by HODs of the concerned departments. Other measures to maintain laboratories are as follows: The calibration, repairing and maintenance of sophisticated lab equipment are done by the technicians of related owner enterprises. The microscopes used for biological and geological experiments are annually cleaned and maintained by the concerned departments and record of maintenance is maintained by lab technicians and supervised by HODs of the concerned departments.? There is systematic disposal of waste of all types such as biodegradable chemical/chemical and ewaste. Library The requirement and list of books is taken from the concerned departments and HoDs are involved in the process of gathering Requirements and submitted to Principal. The finalized list of required books is duly approved and signed by the Principal. Every year in the beginning of session, students are motivated to register themselves in library to use LIBSOFT During 20182019 session the number of LIBSOFT 9.8 users was943.?The Library has special facility for visually challenged students by setting up two special computers for them.?Suggestion box is installed inside the reading room to take student feedback. Their continuous feedback helps a lot in introducing new ideas regarding library enrichment.?To ensure return of books, 'no dues' from the library is mandatory for students before appearing in exam.? The proper account of visitors (students and staff) on daily basis is maintained. ?Other issues such as weeding out of old titles, schedule of issue/ return of books etc are chalked out / resolved by the library committee.Sports: Regarding the maintenance of indoor Badminton/ Volley Ball court / TT Courts /Gym on the college sports in charge consult coaches. In their guidance accommodates are arranged.During the session 201718college won the cricket intercollegiate championship. The college has a building committee for maintenance and upkeep of infrastructure. At the departmental level, HoDs submit their requirements to the Principal regarding requirement of any time.

#### 7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

1.Local Guardian Scheme. 2. Abikalpana (NGO ) Serving the Society by Teaching the Government school Students. Abhikalpana stands on three Pillars Shine, Smile, and Scream. All these volunteers spend their weekend with the underprivileged kids near the college (Sugatta road). This all began when our seniors got to know that many kids living there don't attend school. As our volunteers started spending their time with kids, they made their parents realize how important schooling is! Now, all the children who are under our NGO go to school regularly. Spending our weekends with these kids is fun. We teach them basic English, moral values and ethics. We even help them in extracurricular activities. Our biggest achievement till date is that all the kids are going to school regularly and the parents and school teachers are very happy, as their kids are excelling in academics as well as other cocurricular activities. To focus on the overall development of children we included art and craft as a part in our sessions. This helps our children to build up their personalities and to fight against their fear. Apart from all this, we conducted various other events too. We had footwear distribution program as we saw many kids walk around barefooted, so we bought footwear and distributed among them. This certainly brought a smile on their faces. It's a wellknown phrase, "Health is Wealth". Generally, people living in slums are more prone to lower immunity. We organized a free medical camp for the children, where we got a pediatrician, dentist, and an eye specialist. Our 50 kids were examined and proper medicines were provided. We even had an outreach programme for the kids. They performed in Kalanjali (The Intercollege fest of our college). This year we had a summer camp with intentions to know the interest of each child and help them to excel in it. To run any organization successfully, along with dedication and enthusiasm, money is also a major requirement. Thanks to our College management, CSE department, students, staff, faculty and every associated member of MVIT who have been a constant support throughout. We organized Marathon of 2km where all the students and teachers of our college took part. Donation drive and KICKIT (major interclub football event) which were a grand success in order to raise funds and also helped in our smooth functioning. The money collected is also used in the medical treatment of kids. You cannot hope to build a better world without improving the individual. We all must work for our own improvement and at the same time share a general responsibility for humanity. Abhikalpana has tried to achieve this in all possible ways. It's been a wonderful journey all throughout. We thank everyone for your immense support and helping us to work towards our pious goals. "A Better future we Dream of ... " We welcome you all to join and be a part of our magnificent family.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

We have improved our performance with respect to vision by on concurrently focused on disciplined and integrated development of personality of students through quality education, sports, cultural and co curricular activities which

are regularly conducted in the Institution. We have promoted the transformation of students as responsible citizens and competent professionals by teaching them ethical principles and practices and we have made them as valuable resource for work environment. We have significantly improved the Quality in technical education by providing stateofart facilities, achieve high quality in teachinglearning research by implementing innovative Teaching and Learning Methodologies. The design knowledge of the students are improved by organizing lot of Hackathons and Design Contest and Technical Paper presentation . Our Institution provides lot of opportunity and resources for developing skills for employability and entrepreneurship, nurturing leadership qualities, imbibing professional ethics and societal commitment. We have created an ambiance and nurture conducive environment for dedicated and quality staff to upgrade their knowledge skills by conducting lot of Faculty Development Programmes and disseminate the same to students on a sustainable long term basis. We have signed more number of MOU with many industries and ate effective interaction with the industries with alumni by conducting Alumni Meetings regularly in the Institution.

Provide the weblink of the institution
