Agenda:

1. Conduction of Academic Audit.
2. Offline exams and preparations
3. Blended mode of education implementation
- 4.

Discussion:

1. In the process of implementing online education, it is decided to have an Academic audit for the current semester, as it was not done for the previous two semesters.
2. As per the decision of the university, this semester exams will be offline inspite of online classes. And hence it is decided to have model exams for the students in order to have a better presentation.
3. Due to the Pandemic, the conduction of classes are still online, but the university plan to conduct the exams offline. Hence it is decided to have classes in blended mode, with staggered timetable for various semesters
