Respected Sir,

Sub: Regarding hike in salary.

I wish to inform that I have a total eight years and six months of teaching experience. I have joined this Institute in April 1993 and working sincerely, since then. I felt very sorry when I got a meagre hike of Rs. 200/- even though as per AICTE I am eligible for minimum basic of Rs. 2,200/- plus other allowances. Also by comparison, I have come to know that my juniors who have less than three years of experience have got an hike of Rs. 800/-. I hereby request the Principal and the Management to consider my request sympathetically as I am a married person having a kid going to school. Also have no other source of Income. I am highly hopeful of getting a favourable response at the earliest.

Thanking you,

Yours faithfully,
