This 3 days programme was about learning warm up exercises, yoga, pranayama and meditation for the physical and mental fitness of the body. All forms of exercise are important for the body. The right amount of it keeps us flexible, which reduces the joint pain and improves longevity. All forms of warm up exercises, cardio exercises and Surya Namaskar or Sun salutation were taught. Surya Namaskara is a gesture of showing gratitude to the Sun. It is a set of 12 yoga asanas which brings body, breath and mind together and keeps the body flexible. Next, the trainers concentrated on various Yogasanas. Yogasana improves flexibility, muscle strength, healthy respiration and maintains a balanced metabolism.

After Yogasana session, Pranayama and meditation session was arranged. 'Prana' means 'Breath' and 'Ayama' means 'Control' so it is called as Pranayama. Pranayama is the perfect breathing exercise which increases the positive energy level in the body and removes toxins. Pranayama (breathing exercises) supplies more oxygen to the body. Pranayama is the key to a healthy body and mind. Those who practice it regularly, will feel very energetic throughout the day.

NSS Unit & Youth red cross unit of Sir MVIT organized Cleanliness Drive under "Swachh Bharat Swasth Bharat" Abhiyaan Programme on the occasion of Student Induction Program 2019-2020. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits.

Under this programme, all the students of 1st year are taken up the challenge of cleaning the entire campus under the umbrella of SWACCH SIR MVIT ABHIYAN on 10 Aug 2019. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole college. The sweepers of the school had to be the observers.

The Programme was inaugurated by our beloved principal Dr. V.R Manjunath at 10.45 a.m. and motivated the students about SWACHH MVIT ABHIYAN. Our Principal started the programme by cleaning the corners of the playground. Then the students and teachers followed suit.

Around 400 students and staff across the departments participated in SWACHH MVIT ABHIYAN. Students were grouped into many teams and the entire campus was cleaned by 12.30 p.m. After collecting them they threw them in to the dustbins. The collected waste was disposed in an organized way.

After doing this job for two hours, we all assembled in the respective class rooms. There we were given refreshment in the form of Samosa and Tea.

Heartfelt thanks to all departments.

Principal and management for their cooperation and wonderful support during this SWACCH SIR MVIT ABHIYAN.
