### **1<sup>st</sup> Semester BE, Three Week Induction Program (IP)**

- 1. All the Managements, Principals, Faculty and Staff members of constituent, affiliated and autonomous colleges are requested to extend their whole hearted cooperation towards the successful completion of the three week IP.**
- 2. As per the guidelines of AICTE, three week IP has been introduced for the 1<sup>st</sup> Semester Engineering students admitted for the academic year 2018 – 2019 under VTU.**
- 3. This is in view of developing inquisitiveness over technical education among the stakeholders (engineering students)**
- 4. IP consist of three phases namely Initial Phase, Regular Phase and Final Phase. Initial and Final Phase will have two days each and regular phase will run for 17 days**
- 5. Familiarization of procedure, scheme and syllabus, guidelines, examination system is outlined in the first phase, in addition to this, various functionary, infrastructure and facilities created by the college/institute is also outlined in the initial phase**
- 6. In the regular phase in order to develop competency over physical activity, creative arts, universal human values, literary activity, proficiency modules, personality development, event management and leadership qualities, 14 day well blended schedule with grasping, speaking, writing, model making, involvement in the skill and sports activities, lecture by eminent people and visit to the local areas have been planned and record to use this data/ information in future effectively.**
- 7. Plenary session may be conducted in the main venue with all the stakeholders through the presentation type of activities**
- 8. It is desirable to address the students in small group of 20-30 for the activity based programs for successful implementation of IP**
- 9. The outcome of IP and effectiveness will be evaluated in the final phase through quiz, debate, oral and written examination. Performance in the various skills, planned events, and performance in sports and competitive spirit in the team matches are also will be evaluated.**
- 10. Qualitative feedback will be collected from the stake holders for the further improvement of the IP.**

## **VISVESVARAYA TECHNOLOGICAL UNIVERSITY - BELAGAVI**

### **1<sup>st</sup> Semester BE, Three Week Induction Program (IP)**

- 11. The schedule of the three week is arrived based on experience, feedback and activities of the VTU and the institution. The effectiveness of the implementation of the IP depends upon the involvement of the Principal faculty, staff members and senior students of the institutions.**
- 12. The program schedule is generic and discrete in nature therefore the Principal of the colleges can rearrange the schedule as per the prevailing practices of the region and also based on the strength of the stakeholders.**
- 13. Principals are requested to maintain the individual documentation such as registration to the activities, time table of the schedule, list of faculty and staff involved. Performance of the students in the activity, evaluation rubrics, and certificate issued for the best performer and evidential proof for having been performed in the activity along with the feedback forms collected from the stakeholders are also to be documented.**
- 14. Principals are requested to plan additional classes required for the completion of the syllabus of the first semester well within the calendar of events published by the VTU by curtailing the semester break holidays after the first semester.**
