Dear Sir,

Greetings from Agastya International Foundation.

With immense happiness I am writing to you that yesterdays exposure visit was very successful and gave a wonderful knowledgeable experience ato all our participants.

Today, in our morning assembly, the team was sharing their experience and all of them were filled with joy as the visit gave them a novel exposure to the concept of Food and Nutrition. The experiments designed were simple, easy to do and more important is all of them were connected to our day-to-day life which brings the connection of applying our learning. The students explaining were energetic, interactive and knowledgeable.

We sincerely appreciate and thank the whole Biotechnology Dept. under the esteemed guidance of Sri Nagendra sir for all the planning, arrangements, experiments. sessions, manuals and refreshments. We all enjoyed the visit thoroughly. It was very knowledgeable and very much helpful in making the students curious.

Looking forward for the next visit on 10th June, Saturday.

Thank you

Dear Ms. Rashmi,

We express our sincere thanks to **Sir M Visveswaraya Institute of Technology** for facilitating a DKMS-BMST donor drive on 3rd February, 2023.

You would be happy to know that **222** persons signed up as potential stem cell donors. Their buccal swab samples will be tested and the anonymized results (only age, sex, HLA typing) will be made available on the worldwide registries which are searched daily for patient-donor matches.

We thank all the volunteers who helped us conduct the donor drive and their sincere efforts in making the event a success. We look forward to continued support from you and your organization to the cause of supporting blood cancer patients looking for matched stem cell donor.

Thanking you.

Yours sincerely,
