Edigital is now Prisac

Dear Valued Customer,

What began as a small Organization in 2011 has grown in leaps and bounds and today we hold our heads high to declare that we touched the landmark figure of 1.5 million subscriber base in the mass.

However, the growth also brings in the inherent challenges of controlling the operations, sales, billing, collections, services, customer support, call centres etc.

In order to optimize all the above and thus pass the benefits to our customers in terms of services and value adds, we are transferring our business to "Prisac Aviation Technologies Ltd" with effect from 1" April 2020.

Please note that there shall be no change in the services offered, nevertheless shall affect or impact our ongoing services and deliveries. This transferring is intended to position us better in the market and ahead of the competition.

We would highly appreciate and request you to update all related documents, contracts & credentials held with Edigital in favour of Prisac Aviation and mail back immediately for further processing at our end.

With thanks and Regards

To,

The Principal, Sir M Visvesvaraya Institute of Technology, Krishnadevaraya Nagar, Hunasamaranahalli, International Airport Road, Bangalore - 562157

Dear Sir,

Sub: Quotation for OrCAD Software

At the outset we wish to introduce Entuple Technologies as an organization dedicated to enabling customers with global cutting edge technology solutions, support and services.

Entuple Academic Solutions initiative (EASi), is focused towards bringing the cutting edge technologies from around the world to Indian academia with the thought of bridging the ever growing gap between the industry and the academia. EASi with its association with technology leaders and top professors across the world, enables the Indian academic community to not only get access to the world class technology, tools and development platforms but reinforces it with world class training and technical support that is essential for easy adoption and progress. Association with EASi also provides the professors a platform to be a part of the ever growing global network of professors from Universities all over the world spanning ail disciplines of education.

We hope and trust our proposal is in line with your requirements and look forward to a symbiotic long standing association with your institute in the years to come and assure our best attention at all times.

Thanking you,

Thanking you,
