The terms and conditions for Project support under Grant-in-aid Letter Agreement (hereinafter called as "GLA") are as follows;

#### 1. FUND DISBURSEMENT

a. First installment of the Grant-in-aid will be released after issue of the GLA subject to fulfillment of the terms and conditions for such release (and after execution of Royalty Agreement in case of BIPP) by the relevant Parties. Further release of funds shall be subject to satisfactory progress against the objectives, outputs, milestones and targets specified in the Project which progress shall be determined by BIRAC and on submission of audited/certified statements of accounts and utilization certificates as provided for in Point 2 (a).

#### 2. FUND UTILISATION AND ACCOUNTING

- a. The Company and the Institute shall submit the Utilization Certificate (UC) and Statements of Expenses (SOE) duly audited by a chartered accountant for the expenditure incurred towards the Project for every half year period, ending 30<sup>th</sup> September and 31<sup>th</sup> March, to BIRAC, within a month of closure of the accounts for the respective half year, in the format provided by BIRAC;
- b. The Company and the Institute shall submit UC and SOE duly certified by Internal finance personnel/auditor to BIRAC in the format provided on the completion of the respective milestones
- c. The Company shall submit audited Annual reports along with the audited balance sheets and profit & loss accounts to BIRAC within six months of the completion of the financial year ending 31<sup>st</sup> March till the completion of the Project Duration.
- d. The Company shall keep the Grant-in-aid assistance and their project contribution in a separate no-lien account in the name of the Company with a Scheduled Bank (as defined under the RBI Act, 1934), the withdrawals and payments from which account shall be subject to verification by BIRAC. It shall also obtain and furnish to BIRAC a letter from the concerned bank foregoing the right of set off or lien in respect of such account. Further, the interest earned on the Grant-in-aid if any should be reported to BIRAC. The interest thus earned will be adjusted towards further installment of the fund.

If there is an Institute, it shall keep the Grant-in-aid assistance in an interest bearing account with a Scheduled Bank (as defined under the RBI Act, 1934), the withdrawals and payments from which account shall be subject to verification by BIRAC. The interest earned on the Grant-in-aid should be reported to BIRAC. The interest thus earned on the grant in aid will be adjusted towards further installment of the fund.

The Company and the Institute shall ensure that the funds released for the Project are actually utilized only for the purposes of the Project and as expressly provided for in this GLA. Reappropriation of BIRAC funds from one budget head to another shall not be effected without the specific written approval of BIRAC;

The Company and the Institute shall refund such part of Grant-in-aid funds disbursed to it that remains unutilized with it upon completion of all the responsibilities, duties and functions specified in connection with the Project, within one month of such completion, to BIRAC along consolidated accounts of the funds received and utilized and of the unutilized balance

returned (UC &SOE);

#### CHANGE OF CONTROL:

BIRAC shall reserve the right to reconsider further funding assistance, governance of the New Intellectual Property and consider refund of the amount of Grant-in-aid in such circumstances of change of control as mentioned the following paragraphs;

The Company shall inform BIRAC if it proposes to undertake or permit any merger, consolidation, reorganization scheme of arrangement or compromise with its creditors or shareholders or effect any scheme of amalgamation or reconstitution or substantial expansion. The word 'substantial expansion' shall have the same meaning as under the Industries (development and Regulation) Act, 1951.

The Company shall inform BIRAC within 30 (thirty) days, if it has notice of any b. application for winding up having been made or any statutory notice of winding up under the provisions of the Companies Act, 2013, or any other notice under any other Act or otherwise of any suit or other legal process intended to be filed or initiated against the Company and affecting the title to the properties of the Company or if a receiver is appointed of any of its properties or business or undertaking.

The Company and the Institute shall notify BIRAC of any material change in its entity status, entity name, Project Coordinator, implementation site, registered office or any such change that would impact on performance of its obligations under the Project and this GLA.

#### 6. FORECLOSURE AND TERMINATION

- a. In case, during the Project Duration, it is found that the Project or any Project component is not likely to lead to successful completion, BIRAC may decide to foreclose the Project or the Project component as warranted. The decision of the BIRAC shall be final in all respects. The Company and the Institute shall immediately refund any Grant-in-aid unutilized out of BIRAC's disbursements to BIRAC. BIRAC, at its discretion can allow deduction of the future committed expenses to third party vendors on pro-rata basis according to the quantum of BIRAC's funding. The Company and the Institute shall submit Consolidated accounts of funds received, utilized and unutilized (UC&SOE). If the Company and the Instituteslike to continue the Project at its own cost, it would be able to do so without restrictions from BIRAC after complying with these provisions.
- b. The Company and the Institutes may, before the completion of the Project, terminate this GLA by giving three months' notice in writing to BIRAC. BIRAC may also terminate this GLA by written notice in the event of "the Company and the Institute" committing breach of any term of this GLA and either not rectifying it to the satisfaction of BIRAC or not satisfying BIRAC about its inevitability within a specified period. In the event of termination of the GLA, no further disbursement shall be made by BIRAC. The Company shall be liable to return immediately the amount of Grant-in-aid already availed of from BIRAC with additional simple interest at the rate of 12 (twelve) per cent per annum within 30 (thirty) days of termination of the GLA. Interest on the quantum of funding assistance shall accrue from the date of release of the grant in aid assistance. The Institute shall immediately refund any funds unutilized out of BIRAC's disbursements, to BIRAC, along with consolidated accounts of funds received, utilized and unutilized (UC&SOE). In case of failure to repay, without prejudice to any other rights under this GLA, the amount can be recovered by initiating any procedure available in Law.

SPUTE RESOLUTION AND ARBITRATION

In the event of any dispute or difference between the Parties hereto upon or in relation to or in connection with this GLA, such dispute or difference, shall be resolved amicably and in good faith by mutual consultation.

#### PROJECT DOCUMENT

### PROPOSAL PHASE & WORK PLAN

Phase Name: Procurement and purchase of the supercritical extraction facility and extraction of oil rich in omega-3 fatty acid from silkworm pupae

#### Description

We have already identified manufacturers in India and abroad, a details agreement will be signed with appropriate terms and conditions for procurement, drying milling and sieving studies. Extraction studies using supercritical fluid extractor to enrich omega-3 fatty acid in the oil will be tried

Phase Name: Enrichment of oil with omega-3 fatty acids

#### Description:

As a part of purchase agreement we would seek the supplier help to start manufacturing the silkworm pupa oil from time to time studies on temperature, pressure etc and quantification

Phase Name: Deoiled cake utilization for various end uses

#### Description:

The cake obtained after removal of oil will be formulated into poultry feed and aqua feed and commercialized Trials with poultry egg layers, broilers, in vivo studies

#### INTELLECTUAL PROPERTY GOVERNING FRAMEWORK

#### 1. SCOPE OF IP GENERATED DURING THE CONDUCT OF THE PROJECT

a) The New Intellectual Property (IP) rights belong to the recipient of funds, in a joint manner unless mutually agreed otherwise.

Provided, this Project is not determined as a "Nationally Important Project" to be governed through specific 'Order of BIRAC'. Such cases of "Nationally Important Project" shall have specific terms of licensing, pricing or March-in-rights for the purposes of public interest/demand of Government of India.

b) It is the responsibility of the Fund Recipients to protect the New Intellectual Property (New IP). They shall bear the expenditure involved in protecting the New IP.

#### 2. GLOBAL ACCESS

The Fund Recipient(s) jointly and severally agree to conduct and manage the Project and the resulting products, services, processes, technologies, materials, software, data or other innovations (collectively, "Product") and any IP that arises (New IP) in the manner that ensures "Global Access."

Global Access requires that

- The knowledge and information gained from the Project be promptly and broadly disseminated or published.
- b) Project Developments and/or New IP are made available and accessible at an affordable price to people most in need within developing countries.
- c) In this regard, ensure Global Access in all present and future research and development agreements in a suitable form.

NOTE: For the purpose of this GLA, New IP means intellectual property generated during the conduct of the Project by the Fund Recipient(s), but excluding the intellectual property generated by the Fund Recipient(s) before execution of this GLA and any IP generated outside the scope of this GLA even during the term of this GLA.

The background Intellectual Property (IP) generated by the Fund Recipient(s) before execution of this GLA are as provided hereunder;

Background IP of the Company

Patent application no. IN3965/CHE/2015 titled "Alpha-linolenic acid enriched oil from the silkworm for nutraceutical and cosmecutical applications" has been licensed to Aspartika Biotech Pvt Ltd from Mr Srinivas B V (applicant and the inventor) wide license agreement dated 28th January 2016.
