**Academic Audit Report of Biotechnology Department**

**held on 26<sup>th</sup> FEB 2023**

- The Audit of the Biotechnology Department was carried out by Dr. Sasmita Mohapatra, Prof. Krishnapriya Sharma and Prof. R. Natraj on 26<sup>th</sup> February 2023.
- Files scrutinized included the Academic Course Files, Stock Registers, Course attendance registers, LG files and so on.
- In a majority of cases, all academic & personal files are up-to-date.
- Other suggestions from the academic auditors include :-
  - o Addressing Bloom's taxonomy levels of 3 & 4 to a larger extent than at present.
  - o A separate file can be maintained containing all internal question papers and scheme of evaluation.
  - o A separate file can be maintained containing all Lesson Plans for all the subjects semester wise.
  - o For NBA minutes of meeting a separate file can be maintained.

Subject: Accreditation status of programs applied by SIR M. Visvesvaraya Institute of Technology, Krishna Devaraya Nagar, Hunasamaranahalli, Karnataka-562157.

Sir,

This has reference to your application I.D. No. 3959-14/08/2019 seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier II) offered by SIR M. Visvesvaraya Institute of Technology, Krishna Devaraya Nagar, Hunasamaranahalli, Karnataka-562157.

2. An Expert Team conducted online evaluation of the programs from 03<sup>rd</sup> to 05<sup>th</sup> December, 2021. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Biotechnology	Tier II June 2015 Document	Accredited (687 marks awarded by the Visiting Team reduced to 685 as per the observations made and indicated in the Annexure to this letter)	Academic Years 2021-2022 to 2023-2024 i.e. upto 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Information Science & Engineering		Accredited (680 marks awarded by the Visiting Team reduced to 666 as per the observations made and indicated in the Annexure to this letter)

4.	Mechanical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

*Chandip* Contd./..

4. The programs have been granted accreditation for 3 years. **SIR M. Visvesvaraya Institute of Technology, Krishna Devaraya Nagar, Hunasamaranahalli, Karnataka-562157** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.
5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **SIR M. Visvesvaraya Institute of Technology, Krishna Devaraya Nagar, Hunasamaranahalli, Karnataka-562157** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.
9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
