Counselling Report

1) Explanation of Ms. Bhavya S

Ms. Bhavya S expressed that in the same semester, for the same subject which was taught to 5th sem A sec (Mechanical Engg) she had got students evaluation as 82.61%. She experienced surprise why she has got 70%, because she told that she had adopted same method of teaching for both A & B sec.

I have made every effort to help my students understand the materials in environmental studies. I will continue to provide additional support and resources to help my students succeed, but ultimately, their success will depend on their individual efforts and commitment to mastering the material.

2) Counselling:

After listening to her, based on one to one counselling, she was advised to improve her performance in different areas like Methodology, Presentation, Motivation etc., so that she will get good feedback in future.

Counselling Report

As per report received from the Principal the department conducted a counselling session to Ms Bhavya S., Assistant Professor on 6.2.2018

1) Explanation of Ms Bhavya S.

Ms Bhavya S. expressed that in the previous semester, for the same subject which was taught to II sem C section (Telecommunication) she had got students evaluation as 67%. She experienced surprise why she has got 50%, this time, because she told that she had adopted the same method of teaching for I sem K section (Biotechnology). Also she expressed that she has taught Elements of Civil Engineering for II sem M section (IEM) during the previous semester and the evaluation by the students there is 85%.

2) Counselling :

After listening to her, departmental counselling committee told her to improve her performance in different areas like Methodology, Presentation, Motivation etc., so that she will get good feedback in future.
