## Report on Blood Donation Drive – July 21, 2023

**Organizers:** SPANDANA – Social Outreach Club of Sir MVIT, in association with NSS Sir MVIT & Youth Red Cross Wing, Sir MVIT

**Coordinator:** Lions Club

**Participating Blood Banks:**

1. Sanjay Gandhi Institute of Trauma and Orthopaedics, Bengaluru
2. Indira Gandhi Institute of Child Health, Bengaluru
3. NIHANS, Bengaluru

**Total Units of Blood Collected:** 190 units

**Number of Volunteers:**

**Faculty Coordinators:** Dr. Rashmi K. V. and Mr. Byregowda B.K.

**Introduction:** The Blood Donation Drive was a remarkable event organized by SPANDANA – the Social Outreach Club of Sir MVIT, in collaboration with NSS Sir MVIT & Youth Red Cross Wing, Sir MVIT. The drive was aimed at promoting voluntary blood donation and creating awareness about the significance of donating blood to save lives. The event took place on 21st July 2023 at the Sir MVIT College Auditorium and witnessed enthusiastic participation from students, faculty, and staff. The event was inaugurated by lighting the ceremonial lamp by Principal Prof. Rakesh S. G. alongwith other attendees. In an exemplary gesture, Principal Prof. Rakesh S. G. took the lead and became the first donor of the day. By doing so, he set a remarkable precedent for all participants, showcasing his personal commitment to the cause and leading by example.

**Event Details:** The Blood Donation Drive commenced at 10:00 AM and continued until 3:00 PM. The Lions Club, renowned for its philanthropic efforts, extended its coordination to ensure the smooth execution of the event. Volunteers from SPANDANA, NSS, and the Youth Red Cross Wing were actively involved in various aspects of the drive, including registration, donor counseling, and post-donation care.

**Participation and Donations:** The response from the college community was overwhelming. Numerous students, faculty, and non-teaching staff members actively took part in the blood donation process. To ensure a smooth and efficient process, donors were scheduled based on time slots, and adequate arrangements were made to avoid crowding.

The participation of students was highly commendable, as many of them voluntarily contributed to this noble cause, showcasing their concern for society's well-being. Additionally, the drive was open to the public, and several local residents also came forward to donate blood, further bolstering the success of the event.

**Awareness and Impact:** Beyond the blood donation itself, the event also served as a platform to raise awareness about the importance of regular blood donations and dispel common misconceptions related to the process. Informational sessions were conducted throughout the day to educate donors and visitors about the life-saving impact of blood donation and how it plays a crucial role in emergency medical treatments, surgeries, and treatments for various medical conditions.

**Conclusion:** The Blood Donation Drive organized by SPANDANA, in association with NSS Sir MVTI & Youth Red Cross Wing, and coordinated by Lions Club, was an incredible success. With the generous participation of students, faculty, staff, and the public, a substantial amount of blood was collected, which will undoubtedly save many lives in times of medical emergencies.

Such initiatives play a pivotal role in fostering a sense of social responsibility among individuals, especially the youth, and create a positive impact on society. The event not only reinforced the importance of blood donation but also showcased the collective power of compassion and empathy.

“Medical camp” 2022 conducted on the 18<sup>th</sup> December was organized by the joint association of Abikalpana Trust and Spandana, the social outreach forum of Sir MVIT.

We had invited 3 General physicians and 7 dentists. Every kid was examined by a pair of dentists and a General physician each and necessary medication/ further treatments were prescribed. Transport facilities for the kids

were provided by the college transport department. Lunch for the kids and volunteers provided by SMVIT and KCDS Men's hostel.

- A total of 66 kids were looked into
- Kids were picked up from their respective homes and brought to new auditorium by 8.30 am by the volunteers in charge
- Doctors arrived by 10am and we started the medical camp soon after that
- Doctors treated the kids in 2 shifts with a refreshment break in between
- While a set of kids were treated by the doctors, the rest of kids of them were engaged in different activities conducted by volunteers.
- Doctors were done treating all the 66 kids by 2.30pm.
- Both the kids and doctors were escorted to the mess by the volunteers for lunch.
- After the kids finished having lunch they were distributed with fruits and stationaries sponsored by Dr. Shreekanth, 4<sup>th</sup> year ECE and few volunteers from Christ University respectively.
- Kids were dropped back to their respective homes safely by the volunteers' in-charge.
- Volunteers and doctors were returned back to the auditorium for the vote of thanks and post event meeting.
- Doctors addressed the volunteers and shared their experience and suggestions.
- Faculty mentor of Spandana, Dr. Rashmi KV proceeded with the vote of thanks.
- Doctors were distributed with certificate of appreciation, a hamper and framed group photo each as token of gratitude.
- After the doctors left volunteers wrapped up the medical camp with a post event meeting.

**Further actions to be taken:**

- Parents of the kids that need immediate further treatment to be informed about the same by the volunteers.
- Necessary arrangements for distribution of deworming and multivitamin tablets to required kids to be made.
- Nutritional counselling to the parents of the kids to be carried out by the volunteers.
- Kids to be educated about hygiene, oral health and mental health by the volunteers.

**Report**

World Environment Day, celebrated annually on June 5th, is a global event aimed at raising awareness and promoting action for the protection of our environment.

Spandana - Social Outreach Club and NSS (National Service Scheme) - Sir MVIT Chapter organized a remarkable celebration for World Environment Day. The event aimed to raise awareness, promote environmental consciousness, and encourage action among the students and faculty members of the institution.

**Tree Plantation Drive:**

A tree plantation drive was organized within the college campus, focusing on enhancing the green cover and promoting a sustainable environment. Prof. Rakesh S.G., Principal Sir, MVIT and Chief Guest of the day Shri D. Balayya, Sr. DGM, Rites Ltd., inaugurated the event by planting the saplings. Dr. S.K. Uma, Prof. & Head, Dept. of Mathematics & Chair-Kalakausthubha graced the occasion with other HoDs. Students actively participated in planting saplings of native trees, creating a lively atmosphere of environmental stewardship. The activity aimed to encourage the students to take responsibility for nurturing and preserving the campus ecosystem.

**Awareness Session by Shri D. Balayya:**

This session covered a range of environmental topics such as waste management, renewable energy, water conservation, and biodiversity conservation. Expert speaker shared his knowledge and experiences, engaging the participants in thought-provoking discussions. 120 students across the branches, NSS and Spandana volunteers attended the session.

**Clean Up Drive:**

As part of the celebrations, a clean-up campaign was organized, focusing on keeping the campus and surrounding areas of Sugatta village clean and free from litter. 400 students from 1<sup>st</sup> year engineering participated in the cleanup drive. Students formed groups and enthusiastically participated in the campaign, collecting and segregating waste materials. This activity aimed to instill a sense of responsibility and promote the importance of maintaining a clean environment. After this drive, all the students were provided with refreshments before dispersion.

The joint efforts of Spandana - Social Outreach Club and NSS - Sir MVIT Chapter in organizing the World Environment Day celebrations at Sir MVIT were commendable. The event successfully raised awareness, engaged students, and fostered a sense of responsibility towards the environment. Through activities such as tree planting, awareness workshops, clean-up campaigns, the celebrations provided a platform for students to actively participate in environmental initiatives and contribute to ecosystem restoration. Such events play a crucial role in nurturing a generation of environmentally conscious individuals who will be at the forefront of promoting sustainability and creating a greener future.

**SUB: Attendance for students towards volunteering for organizing World Environment Day on 5<sup>th</sup> June 2023**

The students in the attached list have volunteered in organizing the **World Environment Day Event** conducted in the campus on **5<sup>th</sup> June 2023**. They have helped in coordinating the saplings planting, guest lecture in the morning session and the clean-up drive which was held in the afternoon session. Hence, we request you to provide them the attendance for 5<sup>th</sup> June 2023.

## Report

The SPANDANA - Social Outreach Club of Sir MVIT along with the JAIVIK club of Dept. of Biotechnology and Aavishkara: Science Forum jointly organized a Science Exhibition program at the institute to commemorate National Science Day, February 28, 2023.

Students of the 9th grade from Bettahalsoor Government High School were invited to witness this event. Spandana volunteers picked the school students from school to Sir MVIT on the day utilizing the Institution's transport facility. A total of 131 students from the school along with 3 teachers attended the event.

Inauguration of the event by lighting of lamp was done by Principal of Sir MVIT Prof. Rakesh S. G., Dr. H.G. Nagendra, HoD, Department of Biotechnology, Dr. S.K. Uma, Chair – Kala Kausthubha & HoD – Department of Mathematics, Dr. G.M Krishnaiah, HoD – Department of Chemistry, Dr Hariharan, HoD – Department of Physics. Followed by this Principal, Prof. Rakesh S.G. gave the inaugural address and highlighted the importance of inquisitiveness and curiosity in the young minds to learn the various inventions and principles of science. Further to this all the four HoDs gave their brief messages on National Science Day to all the students.

Through a presentation, a few students spoke about various scientists and their accomplishments in their field, which inspired the students to use technology to do things more efficiently as well as to realize that science offers unlimited possibilities.

BE students from 1<sup>st</sup> year exhibited 23 scientific models related to Physics, Chemistry, Mathematics and other scientific concepts at the Science Seminar Hall. 2<sup>nd</sup> year BE Biotechnology students have displayed 9 biology-based models and experiments at the Department of Biotechnology laboratories. The displayed models were related to different branches of science such as molecular models, PCR, 3 R's, solar powered cars, solar systems, human respiratory system, holograms etc.

The school students were divided into two groups of 15 led by two volunteer coordinators. The students were guided to each exhibit before casting their votes for the winning model. In addition to refreshments, return gifts were given to the students during the exhibition. At the end the most interactive student from each group was given a gift for their participation. Once the event concluded, all the school students accompanied by the volunteers were dropped back to school.

## Overview of the event:

“BLOOD DONATION DRIVE” 2023 conducted on 6<sup>th</sup> of January was organized by joint association of SPANDANA social outreach club of Sir MVIT and NSS of Sir MVIT.

The event was in collaboration with Lions Club, Bangalore Airport City, which brought 4 different hospitals namely Bowring & Lady Curzon Hospitals, Kidwai Memorial Institute of Oncology, Indira Gandhi Institute of Child Health, Victoria Hospital, B.M.C & R.I., Bengaluru. These hospitals each came with 6-7 doctors and supporting staff. They brought their own beds and medical supplies for blood collection.

Highlights of events are:

- Blood donation Drive was inaugurated by lighting of lamp in presence of Principal of Sir MVIT Prof. Rakesh S. G., Members of Lion's club and faculty of Sir MVIT.
- There were around 55 volunteers which included members of both Spandana and NSS who worked helped Doctors of 4 different Hospitals in setting up and collecting blood from donors.
- Blood donation was pioneered by Principal of Sir MVIT, Prof. Rakesh S. G., as he volunteered to be the first donor. Followed by this, there were 364 donors stepped forward to donate their blood for this noble cause.
- Faculty, Students and Non-teaching staff of Sir MVIT volunteered for blood donation.
- Doctors checked the eligibility of donor by checking their weight, hemoglobin level, blood group and blood pressure. Once these tests were passed the donor was allowed to donate blood. After donation each donor was awarded with appreciation certificate and some refreshments.
- Around 2:30pm the camp was winded up and in span of 5hrs around 365 units of blood was collected by all hospitals in total.
- Volunteers helped the Hospitals to wind up and clean up the venue.
- Certificates of appreciation by all the hospitals and Lion's club were presented to head of the institution Prof. Rakesh S. G and to NSS coordinator Shri Byregowda by Madam Umadevi, President, Lions Club, Bangalore Airport City, Distt-317E.

#### **Overview of the event:**

“World Cancer Day Commemorative Event and Stem Cells Donation Registration Drive” was organized on 3<sup>rd</sup> February 2023 by joint association of SPANDANA social outreach club of Sir MVIT and Department of Biotechnology, Sir MVIT and DKMS BMST. Every year, 4<sup>th</sup> of February is commemorated as World Cancer Day, to raise due awareness, dispel myths, provide accurate information, motivate proactive initiatives, and thus reduce the hazardous healthcare burden. The discussion platforms are also towards instilling confidence and make a positive difference to the lives of people with cancer and cancer-survivors, and more importantly, to the care-takers of such population.

#### **Session 1: Blood Cancer, Blood Stem Cell Transplantation and Donor Registration Drive by DKMS-BMST:**

The event started at 9.30AM. Dr Rashmi KV welcomed the gathering and introduced the facilitators from DKMS-BMST. Ms. Ashitha Steffi J. Associate, Donor Recruitment gave introductory remarks on blood cancer and blood related disorders, Mr. Mahamithra S.R. Senior Associate, Donor Recruitment highlighted the importance of stem cell donation to needy patients and the process associated with stem cell donation. DKMS-BMST is an international stem cell registry that works towards its mission of giving every blood cancer patient a second chance at life, by raising awareness about the importance of stem cell donations and thereby, increasing the number of potential donors in India. After this session donor registration form was given to all the interested volunteers and buccal swab samples were collected.

#### **Session 2: Advancing Therapeutic Drug Discovery: Evaluation of Drug Safety and Prioritization of Investigational Drugs:**

After the tea break the second session of the event by Dr. Chaitanya N. Hiremath started at 11AM. Prof. H. G. Nagendra introduced the speaker to the gathering. Dr. Chaitanya Hiremath is a distinguished drug discovery scientist, educator, advisor, mentor, reviewer, founder, and inventor, specializing in Bioinformatics and Cheminformatics. He has a Master's degree in Solid State Physics and a Ph.D. in Molecular Biophysics. He was awarded the Gold Medal in Physics and the State Award in Science among others. He was a senior fellow at Harvard Medical School and a visiting scientist at Massachusetts Institute of Technology. Dr. Hiremath has world-class

academic, teaching, and biotechnology industry experience. Dr Chaitanya has detailed on his patented APOD methodology for drug discovery has proved beneficial in the prioritization analysis of safety profiles of COVID-19 drugs. He also explained his science education, open-access peer-reviewed paper on the BIG problem-solving method that he developed to enhance the students' learning experience in science, has over 18000 downloads worldwide. Dr. Hiremath has been granted a patent for the design of the World Flag based on the scientific tree of life. He has given several invited talks at international conferences and meetings including the United Nations. Prof. Hiremath spoke about his initiative SEALOEarth. SEALOEarth (pronounced as, seal-o-earth), stands for “Serene Environment and Life On Earth”, and its mission is to heighten awareness of the responsibility of all people to manage global resources in a sustainable way, regardless of an individual's country of origin, cultural background, spoken language, or religion.

### **Session 3: General awareness on cancer – prevention, causes, diagnosis and treatment.**

Post lunch session was by Dr. Punyashree R.M. Associate Consultant – Gynaec Oncology, Cytecure Cancer Hospitals. In this expert session doctor highlighted the various causes of cancer, ways to reduce them by preventive measures, importance of early diagnosis and regular health check-ups for mid aged women and men. She also highlighted on the various treatment strategies available for various cancers.

After all the three sessions Dr Rashmi K V thanked all the resource persons, volunteers and participants. All the participants were given with an e-feedback form and e-certificate for participation.

In order to eliminate cancer, we need to work on three parameters, 1. Awareness 2. Drugs discovery and research 3. Willingness to donate stem cells and blood components. The event planned to cover all the three areas. Students highly appreciated all the sessions and event was successful.

# Thanking Note from DKMS-BMST

Dear Ms. Rashmi,

We express our sincere thanks to **Sir M Visveswaraya Institute of Technology** for facilitating a DKMS-BMST donor drive on 3<sup>rd</sup> February, 2023.

You would be happy to know that **222** persons signed up as potential stem cell donors. Their buccal swab samples will be tested and the anonymized results (only age, sex, HLA typing) will be made available on the worldwide registries which are searched daily for patient-donor matches.

We thank all the volunteers who helped us conduct the donor drive and their sincere efforts in making the event a success. We look forward to continued support from you and your organization to the cause of supporting blood cancer patients looking for matched stem cell donor.

Thanking you.

Yours sincerely,

**Report Outreach Program on Innovative Projects Demonstrations in Food Science & Nutrition -17<sup>th</sup>**  
**May 2023**

The Outreach Program on Innovative Projects Demonstrations in Food Science & Nutrition was jointly organized by the Department of Biotechnology at Sir MVIT and Agastya International Foundation. This program aimed to empower rural school teachers with knowledge and practical skills related to food science and nutrition. Through innovative project demonstrations, the program aimed to enhance teachers' understanding and teaching capabilities in this important field.

**Objective:** The objective of the outreach program was to provide rural school teachers with exposure to innovative projects and demonstrations in food science and nutrition. The program aimed to equip teachers with practical knowledge and resources to incorporate hands-on learning experiences into their curriculum. By enhancing their teaching methods and materials, the program sought to improve students' engagement and comprehension of food science and nutrition concepts.

Agastya International Foundation is an Indian education trust and non-profit organization based in Bangalore, India whose mission is to spark curiosity, nurture creativity and build confidence among economically disadvantaged children and teachers in India. There were 30 teachers who participated in the event. All these teachers have come from all regions of Tamilnadu representing many districts. Mr Suresh T S from Agasthya Foundation have accompanied the teachers.

Prof H G Nagendra, HOD, Dept. of BT, Sir MVIT welcomed all the participants to the event and also gave a formal introduction of the training program. Followed by this Mr. Srinivas B.V., Director, Aspartika Biotech.Pvt.Ltd., gave a detailed lecture on food science and nutrition analysis.

The program included a series of demonstrations and presentations on innovative projects related to food science and nutrition. 6th semester students from the Department of Biotechnology showcased projects that covered a range of topics, including food processing, nutritional analysis, food safety, and sustainable agriculture practices. The demonstrations were designed to be interactive and engaging, allowing teachers to witness practical applications of concepts.
