

ANVESHANA

Agastya is committed to spark creativity in education today so that students can be more enterprising and creative in the future lives. We all know knowledge drives our global economy. Students everywhere need to be prepared to think and reason. They need to be able to analyse problems, envision solutions, and collaborate with others. They must know how to harness technology to help them solve complex problems. And they must be introduced early on to key subject areas such as mathematics and science. Education is the essential ingredient that will prepare them for a changing future. New technologies will continue to transform the world in ways we cannot yet imagine. To survive and thrive in this knowledge-based economy, tomorrow's citizens must be equipped with necessary problem solving skills & tools.

Anveshana is one such platform where engineering students could collaborate with high school students to create innovative models to address real life problems.

Mr. Ayan and Mr. Abhishek won the Anveshana – Science and Engineering Project competition and were placed fifth with a cash prize of 5000/-

EXHIBITS AT ANVESHNA

UTILIZATION OF EGG SHELL WASTE –HITHA

DETECTION OF UREA IN MILK

ADITHYA SATHISH and JEEVAN PRANAY

POTENTIALS OF TURMERIC LEAF EXTRACT
CHATURHY and TRISHA (Consolation Prize)

Sneha And Shambhawi Of 8th Semester Received Consolation Prize Of Rs 5000 In Anveshana 2019 Science Exhibition.

Santosh Yadav And Amish Noah, First Prize At Anveshana 2018 For Designer Eggs

Ms.Preksha And Ms.Yashika Won The Second Prize (Rs. 25,000) At Anveshana 2020, For Biscuits From Mucuna

EVENT CLOSURE REPORT

Title of the Event	One Day Awareness Event on “Emerging Technologies and Innovations for shaping the future of Health Care” (in Commemoration of World Health Day)
Event Organizer(s)	Department of Biotechnology, Sir M Visvesvaraya Institute of Technology
Event Venue	CS Seminar Hall, Sir MVT Campus
Event Start Date	6 th April 2023
Event End Date	6 th April 2023

Event Objectives:

- To create awareness about the advances in Modern Technologies and Bioengineering domains like imaging etc., in healthcare
- To Educate the Students, Public and various Stakeholders about The Prospects, Perspectives and Benefits of Emerging Technologies for Human Health Care

Event Web Address: NA

Event Type:	<input checked="" type="checkbox"/> Conference / Workshop / Seminar <input type="checkbox"/> Invited Talk / Guest Lecture <input type="checkbox"/> FDP/SDP	<input type="checkbox"/> Technical Event <input type="checkbox"/> Cultural Event <input type="checkbox"/> Other :
Event Frequency:	<input type="checkbox"/> One Time Only <input checked="" type="checkbox"/> Annual <input type="checkbox"/> Bi-Annual	<input type="checkbox"/> Quarterly <input type="checkbox"/> Monthly <input type="checkbox"/> Other

Was any off-site venue(s) used (Provide details, if used)	NIL
Targeted Audience	6 th and 8 th Semester BE students
Original expected attendance	80
Total pre-registered attendance	87
Total on-site registrations	NIL
No-Shows	NA

“Medical camp” 2022 conducted on the 18th December was organized by the joint association of Abikalpana Trust and Spandana, the social outreach forum of Sir MVIT.

We had invited 3 General physicians and 7 dentists. Every kid was examined by a pair of dentists and a General physician each and necessary medication/ further treatments were prescribed. Transport facilities for the kids

were provided by the college transport department. Lunch for the kids and volunteers provided by SMVIT and KCDS Men's hostel.

- A total of 66 kids were looked into
- Kids were picked up from their respective homes and brought to new auditorium by 8.30 am by the volunteers in charge
- Doctors arrived by 10am and we started the medical camp soon after that
- Doctors treated the kids in 2 shifts with a refreshment break in between
- While a set of kids were treated by the doctors, the rest of kids of them were engaged in different activities conducted by volunteers.
- Doctors were done treating all the 66 kids by 2.30pm.
- Both the kids and doctors were escorted to the mess by the volunteers for lunch.
- After the kids finished having lunch they were distributed with fruits and stationaries sponsored by Dr. Shreekanth, 4th year ECE and few volunteers from Christ University respectively.
- Kids were dropped back to their respective homes safely by the volunteers' in-charge.
- Volunteers and doctors were returned back to the auditorium for the vote of thanks and post event meeting.
- Doctors addressed the volunteers and shared their experience and suggestions.
- Faculty mentor of Spandana, Dr. Rashmi KV proceeded with the vote of thanks.
- Doctors were distributed with certificate of appreciation, a hamper and framed group photo each as token of gratitude.
- After the doctors left volunteers wrapped up the medical camp with a post event meeting.

Further actions to be taken:

- Parents of the kids that need immediate further treatment to be informed about the same by the volunteers.
- Necessary arrangements for distribution of deworming and multivitamin tablets to required kids to be made.
- Nutritional counselling to the parents of the kids to be carried out by the volunteers.
- Kids to be educated about hygiene, oral health and mental health by the volunteers.

Report

The SPANDANA - Social Outreach Club of Sir MVIT along with the JAIVIK club of Dept. of Biotechnology and Aavishkara: Science Forum jointly organized a Science Exhibition program at the institute to commemorate National Science Day, February 28, 2023.

Students of the 9th grade from Bettahalsoor Government High School were invited to witness this event. Spandana volunteers picked the school students from school to Sir MVIT on the day utilizing the Institution's transport facility. A total of 131 students from the school along with 3 teachers attended the event.

Inauguration of the event by lighting of lamp was done by Principal of Sir MVIT Prof. Rakesh S. G., Dr. H.G. Nagendra, HoD, Department of Biotechnology, Dr. S.K. Uma, Chair – Kala Kausthubha & HoD – Department of Mathematics, Dr. G.M Krishnaiah, HoD – Department of Chemistry, Dr Hariharan, HoD – Department of Physics. Followed by this Principal, Prof. Rakesh S.G. gave the inaugural address and highlighted the importance of inquisitiveness and curiosity in the young minds to learn the various inventions and principles of science. Further to this all the four HoDs gave their brief messages on National Science Day to all the students.

Through a presentation, a few students spoke about various scientists and their accomplishments in their field, which inspired the students to use technology to do things more efficiently as well as to realize that science offers unlimited possibilities.

BE students from 1st year exhibited 23 scientific models related to Physics, Chemistry, Mathematics and other scientific concepts at the Science Seminar Hall. 2nd year BE Biotechnology students have displayed 9 biology-based models and experiments at the Department of Biotechnology laboratories. The displayed models were related to different branches of science such as molecular models, PCR, 3 R's, solar powered cars, solar systems, human respiratory system, holograms etc.

The school students were divided into two groups of 15 led by two volunteer coordinators. The students were guided to each exhibit before casting their votes for the winning model. In addition to refreshments, return gifts were given to the students during the exhibition. At the end the most interactive student from each group was given a gift for their participation. Once the event concluded, all the school students accompanied by the volunteers were dropped back to school.

Event Date and Time: 03 February 2023, 9:30am-3:00 pm

Venue: CS Seminar Hall, Sir MVIT

Faculty Co-Ordinators: Dr. H.G. Nagendra, Dr. Priya Narayan, Dr. Jagadeesh Kumar D.

Faculty Co-Ordinator of Spandana: Dr Rashmi K.V.

Number of hours spent: 5 hours

Number of Volunteers: 20

Number of Participants: 114

Units of Registrants for Stem Cell Donation: 222

Overview of the event:

“World Cancer Day Commemorative Event and Stem Cells Donation Registration Drive” was organized on 3rd February 2023 by joint association of SPANDANA social outreach club of Sir MVIT and Department of Biotechnology, Sir MVIT and DKMS BMST. Every year, 4th of February is commemorated as World Cancer Day, to raise due awareness, dispel myths, provide accurate information, motivate proactive initiatives, and thus reduce the hazardous healthcare burden. The discussion platforms are also towards instilling confidence and make a positive difference to the lives of people with cancer and cancer-survivors, and more importantly, to the care-takers of such population.

Session 1: Blood Cancer, Blood Stem Cell Transplantation and Donor Registration Drive by DKMS-BMST:

The event started at 9.30AM. Dr Rashmi KV welcomed the gathering and introduced the facilitators from DKMS-BMST. Ms. Ashitha Steffi J. Associate, Donor Recruitment gave introductory remarks on blood cancer and blood related disorders, Mr. Mahamithra S.R. Senior Associate, Donor Recruitment highlighted the importance of stem cell donation to needy patients and the process associated with stem cell donation. DKMS-BMST is an international stem cell registry that works towards its mission of giving every blood cancer patient a second chance at life, by raising awareness about the importance of stem cell donations and thereby, increasing the number of potential donors in India. After this session donor registration form was given to all the interested volunteers and buccal swab samples were collected.

Session 2: Advancing Therapeutic Drug Discovery: Evaluation of Drug Safety and Prioritization of Investigational Drugs:

After the tea break the second session of the event by Dr. Chaitanya N. Hiremath started at 11AM. Prof. H. G. Nagendra introduced the speaker to the gathering. Dr. Chaitanya Hiremath is a distinguished drug discovery scientist, educator, advisor, mentor, reviewer, founder, and inventor, specializing in Bioinformatics and Cheminformatics. He has a Master's degree in Solid State Physics and a Ph.D. in Molecular Biophysics. He was awarded the Gold Medal in Physics and the State Award in Science among others. He was a senior fellow at Harvard Medical School and a visiting scientist at Massachusetts Institute of Technology. Dr. Hiremath has world-class

academic, teaching, and biotechnology industry experience. Dr Chaitanya has detailed on his patented APOD methodology for drug discovery has proved beneficial in the prioritization analysis of safety profiles of COVID-19 drugs. He also explained his science education, open-access peer-reviewed paper on the BIIG problem-solving method that he developed to enhance the students' learning experience in science, has over 18000 downloads worldwide. Dr. Hiremath has been granted a patent for the design of the World Flag based on the scientific tree of life. He has given several invited talks at international conferences and meetings including the United Nations. Prof. Hiremath spoke about his initiative SEALOEarth. SEALOEarth (pronounced as, seal-o-earth), stands for “Serene Environment and Life On Earth”, and its mission is to heighten awareness of the responsibility of all people to manage global resources in a sustainable way, regardless of an individual's country of origin, cultural background, spoken language, or religion.

Session 3: General awareness on cancer – prevention, causes, diagnosis and treatment.

Post lunch session was by Dr. Punyashree R.M. Associate Consultant – Gynaec Oncology, Cytecare Cancer Hospitals. In this expert session doctor highlighted the various causes of cancer, ways to reduce them by preventive measures, importance of early diagnosis and regular health check-ups for mid aged women and men. She also highlighted on the various treatment strategies available for various cancers.

After all the three sessions Dr Rashmi K V thanked all the resource persons, volunteers and participants. All the participants were given with an e-feedback form and e-certificate for participation.

In order to eliminate cancer, we need to work on three parameters, 1. Awareness 2. Drugs discovery and research 3. Willingness to donate stem cells and blood components. The event planned to cover all the three areas. Students highly appreciated all the sessions and event was successful.

CERTIFICATE BY DKMS-BMST

Certificate of Appreciation

On behalf of the countless blood cancer patients
and their family members, we thank

SPANDANA CLUB, SIR M. VISVESHWARAYA INSTITUTE OF TECHNOLOGY

for the support to the DKMS BMST Foundation India on *3rd FEBRUARY, 2023*

A handwritten signature in black ink, appearing to read 'R I'.

Mr. Patrick Paul
Chief Executive Officer

Thanking Note from DKMS-BMST

Dear Ms. Rashmi,

We express our sincere thanks to **Sir M Visveswaraya Institute of Technology** for facilitating a DKMS-BMST donor drive on 3rd February, 2023.

You would be happy to know that **222** persons signed up as potential stem cell donors. Their buccal swab samples will be tested and the anonymized results (only age, sex, HLA typing) will be made available on the worldwide registries which are searched daily for patient-donor matches.

We thank all the volunteers who helped us conduct the donor drive and their sincere efforts in making the event a success. We look forward to continued support from you and your organization to the cause of supporting blood cancer patients looking for matched stem cell donor.

Thanking you.

Yours sincerely,

Sayantan Datta Gupta

Hospitals: Bowring & Lady Curzon Hospitals
Kidwai Memorial Institute of Oncology
Indira Gandhi Institute of Child Health
Victoria Hospital, B.M.C & R.I., Bengaluru

Units of Blood Collected: 60+113+104+88=365 units

Overview of the event:

“BLOOD DONATION DRIVE” 2023 conducted on 6th of January was organized by joint association of SPANDANA social outreach club of Sir MVIT and NSS of Sir MVIT.

The event was in collaboration with Lions Club, Bangalore Airport City, which brought 4 different hospitals namely Bowring & Lady Curzon Hospitals, Kidwai Memorial Institute of Oncology, Indira Gandhi Institute of Child Health, Victoria Hospital, B.M.C & R.I., Bengaluru. These hospitals each came with 6-7 doctors and supporting staff. They brought their own beds and medical supplies for blood collection.

Highlights of events are:

- Blood donation Drive was inaugurated by lighting of lamp in presence of Principal of Sir MVIT Prof. Rakesh S. G., Members of Lion's club and faculty of Sir MVIT.
- There were around 55 volunteers which included members of both Spandana and NSS who worked helped Doctors of 4 different Hospitals in setting up and collecting blood from donors.
- Blood donation was pioneered by Principal of Sir MVIT, Prof. Rakesh S. G., as he volunteered to be the first donor. Followed by this, there were 364 donors stepped forward to donate their blood for this noble cause.
- Faculty, Students and Non-teaching staff of Sir MVIT volunteered for blood donation.
- Doctors checked the eligibility of donor by checking their weight, hemoglobin level, blood group and blood pressure. Once these tests were passed the donor was allowed to donate blood. After donation each donor was awarded with appreciation certificate and some refreshments.
- Around 2:30pm the camp was winded up and in span of 5hrs around 365 units of blood was collected by all hospitals in total.
- Volunteers helped the Hospitals to wind up and clean up the venue.
- Certificates of appreciation by all the hospitals and Lion's club were presented to head of the institution Prof. Rakesh S. G and to NSS coordinator Shri Byregowda by Madam Umadevi, President, Lions Club, Bangalore Airport City, Distt-317E.

Respected Madam,

Sub: Request to grant permission to conduct a social outreach program "Blood Donation Drive" on 6th January 2023-reg.

With reference to above, I wish to bring to your kind notice that. We under the banner of SPANDANA-Social Outreach Club of Sir MVIT in association with "NSS:SMVIT CHAPTER" planned a social outreach program by hosting a blood donation drive in the vicinity of our campus on 6 January 2023 between 9.00 AM to 3:30 PM. We have spoken to LIONS CLUB they are willing to help with the blood collection.

In this regard, we seek your permission to conduct this activity on our campus and oblige.

We request you to grant permission through concerned authorities to utilize the new auditorium for this purpose on 6 January 2023 , 8.30 AM to 3.30PM.

Thanking you,

Sincerely Yours,

Dr Rashmi K V

Report Outreach Program on Innovative Projects Demonstrations in Food Science & Nutrition -17th
May 2023

The Outreach Program on Innovative Projects Demonstrations in Food Science & Nutrition was jointly organized by the Department of Biotechnology at Sir MVIT and Agastya International Foundation. This program aimed to empower rural school teachers with knowledge and practical skills related to food science and nutrition. Through innovative project demonstrations, the program aimed to enhance teachers' understanding and teaching capabilities in this important field.

Objective: The objective of the outreach program was to provide rural school teachers with exposure to innovative projects and demonstrations in food science and nutrition. The program aimed to equip teachers with practical knowledge and resources to incorporate hands-on learning experiences into their curriculum. By enhancing their teaching methods and materials, the program sought to improve students' engagement and comprehension of food science and nutrition concepts.

Agastya International Foundation is an Indian education trust and non-profit organization based in Bangalore, India whose mission is to spark curiosity, nurture creativity and build confidence among economically disadvantaged children and teachers in India. There were 30 teachers who participated in the event. All these teachers have come from all regions of Tamilnadu representing many districts. Mr Suresh T S from Agasthya Foundation have accompanied the teachers.

Prof H G Nagendra, HOD, Dept. of BT, Sir MVIT welcomed all the participants to the event and also gave a formal introduction of the training program. Followed by this Mr. Srinivas B.V., Director, Aspartika Biotech.Pvt.Ltd., gave a detailed lecture on food science and nutrition analysis.

The program included a series of demonstrations and presentations on innovative projects related to food science and nutrition. 6th semester students from the Department of Biotechnology showcased projects that covered a range of topics, including food processing, nutritional analysis, food safety, and sustainable agriculture practices. The demonstrations were designed to be interactive and engaging, allowing teachers to witness practical applications of concepts.
