Dear Aditi:

Re: University ID: 2001258916

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Data Science MS - Residential** program beginning in **Fall 2023**. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School.

Our offer **expires on April 15, 2023**. Once you have made your decision, please let us know by completing the Luddy Fall 2023 Student Decision Form at <https://go.iu.edu/4eXl>

If you have any questions or need additional information, please contact GoLuddy@iu.edu

We congratulate you on your academic achievements. We are very excited at the prospect of having you in our graduate program, and we look forward to learning of your decision.

Warm regards,

Dear Mr. Chaitanya Krishna Peddi,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2023 semester to the degree of Masters of Professional Studies in Data Sciences & Applications.

This letter constitutes a recommendation of admission only. We are unable to offer you any funding for the cost of your attendance at the University at Buffalo. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Data Sciences & Applications Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Sincerely,

Office of Graduate Education

Individuals with the attachment style A are fully self-sufficient and are controlled only by the external influences. They appear on the surface to be very independent and self-reliant. In the inner world, however, they have a strong need for security. In the social environment, and even more so when they are alone, they experience the greatest threat to their sense of self. Individuals of the attachment style C are characterized by low self-reliance and low autonomy. The constant state of heightened concern for their own well-being and the need for security and support is the basis of their behavior. In the social environment, they are often perceived as being overly dependent and clingy. In the inner world, however, they are often very self-reliant and self-sufficient, but they often lack the necessary self-esteem and self-confidence.

Dear Mr. John:

The Graduate Studies Office (GSO) in the College of Engineering and Applied Science (CEAS) at the University of Cincinnati is pleased to offer you admission to the **Masters of Engineering (MEng)** program in **Robotics & Intelligent Autonomous Systems**. This offer is for full-time study beginning with the 2022-2023 academic year. This program is a non-thesis program designed to be completed in one academic year. Additional program information about the MEng degree is attached.

Based on your excellent academic performance and application materials, we are pleased to offer you the **Graduate Incentive Award (GIA)** in the amount of \$9,554.00 for the 2022-2023 academic year. To maintain this award, you will be required to enroll as a full-time student throughout the academic year, make satisfactory academic progress, and maintain your academic standing according to all the rules of your program, the College and the University. See other specific conditions on the next page. Also, see Table 1 "GIA Award & Student Cost Details" on the next page for itemization of awards and costs.

Important Program Dates:

- College of Engineering and Applied Science Orientation - TRA
- Fall Semester begins August 22, 2022
- You must register and pay any outstanding balance by August 17, 2022

Please indicate your acceptance of this admission offer within 15 days of the date of this letter. Per a resolution by the Council of Graduate Schools, you are not required to respond to the attached offer of financial support until April 15, 2022 (<http://cgsnet.org/april-15-resolution>)

If you wish to accept this offer, please log into the application site "Check My Status". You must complete the "Enrollment Form". You will receive information on how to start your I-20 processing within 5 - 10 working days. Please also sign a copy of your offer letter and return a scanned copy by email to: enrgrad@uc.edu.

Please accept my congratulations. We look forward to your reply and acceptance of our offer into our program. If you have any questions you can contact the Graduate Studies Office at enrgrad@uc.edu.

Sincerely,

Amratha, congratulations on your admission to The University of Texas at Dallas to the Master of Science in Business Analytics Cohort program, Data Science track, for the Spring 2022 semester! The class work for this program begins on January 10, 2022.

We share your excitement as you begin this next stage in your educational career. Your program director, Bill Hefley, and academic staff will be here to assist you with any questions or concerns you may have throughout the course of your program.

The next step is to accept your offer of admission, and I hope you accept it as soon as possible.

Please also note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog and on the Academic Calendar, both of which are available online. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the [Jindal School of Management page](#)
- Plan time to visit your Program Director to review the requirements of your degree plan and to remove your advising hold. Please plan several visits while you are a student.
- Closer to the beginning of your semester, you will receive an email with information regarding the Jindal School of Management's Graduate Orientation. Please make it a priority to attend this important event. It will provide an opportunity for you to meet your program director.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study. We have high expectations of you and know that you will find the MS in Business Analytics Cohort Program both challenging and rewarding. Should there be any developments that would affect your status in the program, we ask that you keep us informed.

Best Regards,

William E. Hefley, Ph.D., CMBE, CCP, CDP, COP
Clinical Professor and MS Business Analytics Cohort Program Director

Dear Sajith,

Congratulations on your decision to enroll in graduate study at the University at Albany! We are excited that you will be enrolling in the Computer Science - MS program beginning in the Fall 2022 semester.

In the next few days you will be receiving an email from our ITS department with information about setting up your MyUAlbany account and other registration details. The MyUAlbany portal is the place where you will be able to find information about registration, finances, campus life, and countless other campus services. Be sure to log in using the instructions from ITS and access the invaluable information available there.

In addition, you should be connecting with your academic department for advisement. If you have not already touched base with your department, we recommend doing so to get started on determining your coursework for the upcoming term.

If you have any questions about your admittance or beginning graduate studies at the University at Albany, I welcome you to reach out to me directly.

Best wishes for a rewarding journey.

Dear Vinaya Hanumanth,

Congratulations! It is with great pleasure that I offer you admission to the Human-Computer Interaction, MS program for the Fall 2022 term at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency Form.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., **RIT ranks in the top 4 percent** for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by May 1, 2022, which can be found on your Application Status page at join.rit.edu/account/join. After accepting our offer of admission, please pay the \$500.00 Advance Tuition Deposit by May 1, 2022. This reserves your place in the program, allows you to apply for campus housing and access online resources. Your academic department will provide you with registration procedures and course schedules.

If any questions arise, please check our website, rit.edu/admissions/graduate/accepted-students, contact us at admission@rit.edu, or call us at 585-475-2229. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add graduate@rit.edu to your approved sender list.

Again, congratulations. I am thrilled to welcome you to RIT.

Sincerely,

Diane Elliott, Ed.D.

Dear Laksh Sai Varma,

Congratulations! After reviewing your application for admission, it is my pleasure to inform you that you have been conditionally admitted to the University of Findlay for the Fall 2023 semester to begin pursuing Master of Science in Applied Security and Analytics Program.

According to the documents submitted with your application, you have not met the requirements for full admission at this time. The requirements that must be completed to obtain full admission are as follows:

CSC1501 - Computer Programming Concepts

On behalf of the faculty and staff, I congratulate you on your strong academic accomplishments that earned your place in our academic community. Based on your outstanding academic achievement, you have been awarded the International Graduate - \$1,000. This award will be administered each semester until the maximum amount of the scholarship has been awarded and cannot be renewed. Please note that you must maintain full-time enrollment in your graduate program to receive award.

The University of Findlay offers additional scholarships based on GMAT or GRE scores. If you find you are eligible for one of these scholarships, please contact international admissions to confirm.

New Student Registration and Orientation are required for all new students. Please make your travel plans with these dates in mind, as attendance is mandatory. Orientation will include testing, advising, registration, and important immigration information. You will also have the opportunity to get to know your new home and classmates. **All official transcript must be presented during orientation in order to be eligible for class registration.**

Now that you have been accepted, you will receive a series of emails providing you with information about arriving to campus, housing and other helpful information. If you have any questions, please feel free to contact your admissions counselor via email at international@findlay.edu.

Again, congratulations on your acceptance to the University of Findlay. We look forward to welcoming you on campus soon.

Welcome to the University of Findlay!

Sincerely,

Dear Arsham,

Congratulations! We are pleased to admit you to the M.S. degree program in Computer Science at the University of Central Missouri for the spring 2023 semester. You have been granted regular admission which means you have satisfied the University of Central Missouri's minimum English proficiency requirement. The program will be located at the Missouri Innovation Campus (KANO14F00000001).

Classes begin on January 8, 2023. A mandatory orientation will be held beginning on January 2, 2023 that you must attend in order to enroll. You will receive additional emails about orientation, arrival expectations, and other useful information to help you as you plan for your arrival to UCM.

Reminder – Prior to the start of the semester, all four official transcripts (evaluations) that meet Q24 requirements, from all college/post-secondary institutions attended must be submitted. Additional testing may be required upon arrival.

Please include your student ID number in all future emails with this office. If you have any questions after reading through this material, please contact us at iss@ucmo.edu or by phone at (866) 543-4052. We wish you well as you begin your journey to the University of Central Missouri.

Regards,

Jeffrey Couch

DECISION LETTER

Dear Nuriya Shree,

Congratulations! Old Dominion University and the Computer Science (MS) Program are pleased to offer admission to you for the Fall 2023 semester. I am pleased you have selected Old Dominion University to further your education and delighted to welcome you to our family of more than 160,000 alumni, students, scholars and faculty with many distinguished accomplishments. The educational and research opportunities here are strong and diverse.

Please note your offer of admission requires you successfully complete all current course work (if applicable) and that you submit all official and original final transcripts or score reports reflecting any changes to your academic record to the Office of International Admissions.

After arrival on campus, your program director will assist you in the advising and enrollment process, including any specific program requirements. Scheduling an appointment with your advisor prior to course registration is required.

Sincerely,

Steven Risch

Dear Mr. Sri Sri Prakash Reddy,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences of the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2021 semester to the degree of Masters of Science in Aerospace Engineering.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Aerospace Engineering Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradengr@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Very truly yours,

Dr. Sri Sri Prakash Reddy

Dear Mr. Faruk,

I am pleased to notify you of your admission to the Graduate School at NC State. We look forward to having you join us and trust that you will find your experience here a rewarding one. [Learn more](#) about graduate education at NC State. Our records on your admission carry the following information:

Admission status:	Full Admission
Degree Program:	Master of Science (MS) - On-Campus - Electrical Engineering
Intended enrollment term:	Fall 2022
Tuition Classification:	Out-of-state
Unity ID:	mfaruk (Click here to learn more about your Unity ID.)

Once you have used your unity ID to login to an NC State system, you may need to sync your password. If you are not able to login to all NC State systems, [Click here](#) to learn how to sync your password.

Admission Information: Please review the [new student checklist](#) for important information to get you started in your graduate education at NC State!

Students are admitted to a specific semester or summer term. If you wish to request a deferral of your admission, you must notify the graduate program to which you applied. Your program must then send a written request to the Graduate School asking that your admission date be changed. If this request is approved, your online admission letter will be updated and you will be notified. Please note that admission may be deferred no more than one year beyond the original entry semester/year noted above. You have up to one year from original application submission date to request a deferral. Important information regarding registration is available at the following website: <https://student-services.ncsu.edu/your-classes/registration/>.

Enrollment Information: Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a \$500 non-refundable enrollment deposit by June 15 for Fall and Summer Terms, or November 15 for the Spring Term. Note that some programs may require an earlier deadline for payment.

Immunization Record and Report of Medical History: Submit your Report of Medical History to Student Health Services immediately upon acceptance to ensure you are in compliance with North Carolina Immunization law. We strongly encourage new students to submit records of required immunizations online at <https://saq.medicalconnect.com>. Check your NCSU e-mail for updates.

Transcripts: Please make sure that you have sent the Graduate School official transcripts of all coursework taken and all degrees awarded at any institution of higher learning that you have attended. If you are currently enrolled at such an institution, upon completion of your program there, you should ask the registrar to send the Graduate School an updated official transcript covering all work completed and a statement of any degree awarded, including the date awarded. All transcripts should be submitted prior to your enrollment at NC State.

Dear Ms. Aishwarya Venketrupa,

We are pleased to offer you admission to pursue graduate study in the Computer Science MS for Full Time Attendance Status study for the Fall 2021 Term. We are delighted that you elected to apply to Stony Brook and believe that you will be very satisfied with both the academic and social climate here. We feel that your presence here will contribute to our well-established reputation for excellence in graduate education.

This offer does not include financial support for you in your first term. Please contact the Financial Aid Office to ensure that you have applied for any other assistance such as College Work-Study, Student Loans, etc., for which you might be eligible. We would appreciate knowing whether or not you wish to accept this offer as soon as possible, but no later than May 26, 2021.

As a newly admitted student, you are also required to view the online orientation podcasts and acknowledge you have successfully done so in your SOLAR account (found under "Holds" in the "Action Center" section). The online orientation podcasts can be found under the New and Current Students tab on the Graduate School website.

To accept your offer, please click [here](#).

Dear Naomi Teresa,

Congratulations! It is my pleasure to inform you of your admission to the Biotechnology program at the University of San Francisco. You have made an excellent choice in selecting USF for your graduate education.

This year's application pool was both strong and competitive. You have every reason to feel proud of your accomplishment and I am delighted that you will join our community.

Students at our San Francisco campuses enjoy the Bay Area as their extended classroom, where USF's students benefit from a rich array of opportunities and resources. Students at our Orange campus enjoy the opportunities of the vibrant Southern California region.

All of our graduate students benefit from our challenging and evolving curriculums, small classes and close instruction from accomplished faculty and experts in the field.

Please give special attention to your online admission letter - which you have already received - it includes important and updated information, including how to access your space in your program. Your online letter is the official admission letter of record.

Once again, congratulations. We look forward to you joining our outstanding community of scholars, and celebrating the background and talents that you bring to your program and USF.

Best wishes,

Eileen Chia-Ching Fung, Ph.D.

Subject : Offer of admission to the Post Graduate Programme in Real Estate and Urban Infrastructure Management at Pune Campus (2022-24 Batch)

Dear Nikhil K,

With reference to your application and participation in the Selection Process for Admission to the Post Graduate Programme 2022, we are pleased to inform you that you have been selected for admission to the Post Graduate Programme in Real Estate and Urban Infrastructure Management (PGP RE/URM) 2022-24 at Pune Campus.

The offer of admission is subject to:

1. Verification of your graduate degree certificate and all other records (in original) on the basis of which this offer of admission will be validated (including eligibility). Verification of documents will be done after commencement of the programme.
2. The admission will stand cancelled if any of the documents or declarations submitted by you are found incorrect or false.

In case of non-compliance of both/any of the above, you will be offered the admission and allowed to join the course. However, you are required to clear the backlog in the time specified by NICMAR. If you fail to clear the backlog within the specified time, you will have to discontinue the PGP (RE/URM) course at NICMAR.

You have to confirm your admission by making the payment of the 1st installment of fees for the academic year beginning from August 16, 2022, on or before 08th April, 2022. The details of fees are as follows:

Details	Amount

Dear Student:

Congratulations! I am pleased to notify you of your acceptance into the Mechanical Engineering MSc program for Spring 2011.

You are being admitted into a coursework, non-thesis masters degree program. Please be advised that funding is not available from the department as a stipend. MSc students are made by individual faculty members but none have expressed a need for MScs at this time. See PhD <http://www.mtu.edu/mechanical/graduate/advising/deg/index.html> and graduate handbook at <http://www.mtu.edu/mechanical/graduate/advising/handbook/index.html>

All graduate students are required to complete basic and advanced training in the area of responsible conduct for research. You may fulfill the basic training requirement by attending Spring orientation on 09-28-2011 or by completing an online training course.

If you have not already provided our office with your final transcript(s) / diploma(s) indicating proof of previous degrees earned, and a certified English copy thereof, please make sure they have been sent by your previous institution(s) as soon as they are available.

Research and teaching assistantships are awarded by your department and questions regarding this form of aid should be directed to them. Information on what you will be your arrival on campus can be found in the Graduate Checklist on your personalized MyMichiganTech <https://www.mtu.edu/michigantech> and on our additional resources website for incoming students (<http://www.mtu.edu/graduate/incoming> - <http://www.mtu.edu/graduate/incoming>).

Since your program requires you to arrive at an earlier date, plan to be on campus on or before 09-28-2011, which is one week before classes begin. Please report to the International Programs and Services Office (IPSO) immediately upon your arrival on campus. An I-20 or SE-1019, if not enclosed, will be sent to you separately. Notify our office as soon as possible if you have had any changes in your mailing address or proposed term of admission.

We look forward to welcoming you to the Michigan Tech Graduate School and wish you continued success in your graduate career.

Sincerely,

Jacques Gault
Director of Graduate Enrollment Services

Dear Shalini Bansal:

We are pleased to offer you admission to the MS program in Mechanical Engineering at the University of California, Riverside (UCR) for Fall 2020.

We wish to extend your much-deserved congratulations and encourage you to ask any questions you wish about the department, the program, and our university. The academic community in the Mechanical Engineering department is a thriving one that we hope you will choose to help diversify it further with your recognized talents. In addition to the program resources, Graduate Division strives to offer programming to support your intellectual growth and provide the tools necessary to meet your professional and educational goals. We hope you will choose to pursue your graduate studies here at UCR!

For us to reserve your space at UCR and generate registration materials, please visit https://gradsis.ucr.edu/gradsis/GSIS_LOGIN_Login_student and indicate your decision no later than February 28, 2020. The accompanying Verification of Support Requirements form will provide you with details regarding the required proof of sponsorship needed to prepare an I-20 form for you to obtain your student visa.

If you have any questions about your offer letter, any forms you receive from UCR, or general graduate student concerns, please contact the Mechanical Engineering or the Graduate Admissions Office. We are here to answer any questions you may have as we understand that this is an important decision that impacts your future.

Congratulations again on your success in being admitted. We look forward to hearing from you soon and welcoming you to the UCR.

Sincerely,

Shaun Bowler
Dean, Graduate Division

Dear Harishth,

On behalf of San José State University, it is my pleasure to congratulate you on your admission for the Fall 2021 term.

As an SJSU graduate student in the heart of Silicon Valley, you will join a thriving community of scholars centered in an area known for innovation and creativity. Working with faculty engaged in cutting-edge research, you will gain hands-on experience and knowledge that will prepare you for the most pressing challenges of the 21st century.

Our community of Spartans embodies an array of cultures that will enrich your educational experience far beyond the classroom. Should you choose to attend California's first public institution of higher education, you will become part of a long legacy of individuals bound together by their shared creativity, passion and resilience.

Enclosed you will find instructions for accepting our offer of admission and completing the enrollment process. In addition, any department-specific instructions related to your admission are included on the back of this letter. Please read these documents carefully and contact us with any questions or concerns at admissions@sjsu.edu.

Details of your admission are below:

Academic Plan:	Electrical Engineering, MS

Dear Kusha Manisha Rao, PhD

Congratulations! I am pleased to inform you that, after careful assessment of your application, you have been granted admission to the following program:

**Master of Engineering
Electrical and Computer Engineering**

This is your official letter of acceptance. As an international student, you are required to obtain a Study Permit and a Quebec Certificate of Acceptance (CAQ). Please read carefully the enclosed "International Students Pre-Departure Guide" to determine the procedures.

The attached Offer of Admission gives information about the program to which you have been admitted, any conditions that apply to your admission, and further details regarding financial support. If you have any questions regarding your Offer of Admission, please feel free to contact us via email at graduate.admissions@mcg.concordia.ca. Please confirm your acceptance of this Offer of Admission in your Student Centre at www.mcg.concordia.ca by April 13, 2021.

To learn more about your program, please refer to the Gina Cody School of Engineering & Computer Science website at <http://www.concordia.ca/graduateprograms>. Please contact the program assistant for course registration procedures. Contact information can be found in the following pages. You should arrive in Montreal and register for your courses by September 7, 2021.

Given your achievements, potential and academic intent, I believe that your academic interests will be well served by this program. I take this opportunity to welcome you to Concordia University and wish you every success in your studies.

Sincerely yours,

Dear Mr. Basapathi Srinivas,

On behalf of the Graduate School of Virginia Tech, I am pleased to inform you that based upon the recommendation of the Computer Science and Applications faculty, we can offer you admission to the Master of Engineering for Fall 2020 at the Blacksburg Campus. Congratulations!

If you have not already done so, please provide an official final transcript(s) indicating that prior degree work has been completed and any applicable official test scores prior to enrollment. Please contact your academic department for further information regarding your admission, including any necessary prerequisites.

At Virginia Tech, we are committed to providing you with a quality graduate education that is intellectually stimulating and professionally focused. We believe in building a strong graduate community. During your graduate study at Virginia Tech, you will have many opportunities to participate in both academic and social activities. I look forward to welcoming you individually to the Virginia Tech graduate student community. Please let us know if you will accept our offer of admission by emailing grads@vt.edu or calling (540) 231-6836.

As you prepare for your studies at Virginia Tech, I encourage you to review our comprehensive online New Student Handbook at <http://graduateschool.vt.edu/admissions/getting-started-as-a-student.html>.

I know that financial assistance is of concern to most graduate students. It is important that you contact your department directly regarding assistantships and other funding questions. You may also visit the Office of Scholarships and Financial Aid website (<http://www.finaid.vt.edu/>) to identify types of financial aid for which you may be eligible to receive.

- The Free Application for Federal Student Aid (FAFSA) is the application for federal student loans and is available January 1st at www.fafsa.gov for US citizens and permanent residents.
- You may file the FAFSA with estimated tax figures if you have not submitted your federal tax return.
- The Office of Scholarships and Financial Aid recommends you submit the FAFSA by early May to give them time to process your financial aid.

To access VT information and services, you will need a Personal Identifier (PID). Your PID and password grant access to e-mail, online course materials (Canvas), Hokie SPA (course registration), My VT (portal system), the university library databases, and more. The Graduate School and many departments communicate with you via your Virginia Tech email account that is accessed with your PID. Please create your PID by following the steps outlined at <https://my.vt.edu/accounts/newpid>. Your student identification number, needed to create a PID, is the application ID number sent to you confirming your application submission.

Invent the Future

Virginia Tech is an Equal Opportunity Institution. We are committed to providing a safe and healthy environment for all students and faculty.

Dear Vishal,

Congratulations! I am pleased to inform you that you have been admitted as a graduate student for 2021 Fall to the Master of Science program in Computer Science and Engineering at the University of California San Diego. As a leading institution for graduate studies, UC San Diego strives to attract and retain the best and the brightest graduate students from across the country and around the world. You have been selected from an elite group of applicants and it is our sincere hope that you will elect to join our campus community.

All admitted candidates are asked to accept, defer, or decline our offer of admission by completing this decision reply form. On the form, please select your decision and click on the "Submit" button. Decision deadlines may vary depending on your admission date. Please be sure to read the deadline information that is included on the form.

Your admission is provisional, contingent on the receipt of required official documents and information. The "Pending Admissions Documents" section of your applicant portal lists the official documents needed by the Graduate Division to finalize your admission and must be submitted if you choose to accept your admission offer.

Please also review the information on the admitted student checklist (<http://grad.ucsd.edu/admissions/admitted-students/do-immediately.html>) and complete each step. Some of the required forms on the checklist must be completed on the "Forms" section of your portal.

If you have questions about your admission, you may contact the program to which you applied directly. Program contact information can be found at <https://apply.grad.ucsd.edu/departments>.

Once again, my sincere congratulations on your admission. I hope I will have the pleasure of welcoming you to UC San Diego.

Sincerely,

ABHIJIT SUDHINDRA

Abhijit Sudhindra

By email: abhijit.sudhi@gmail.com

Dear Abhijit,

Congratulations! I am pleased to inform you that the Department of Mechanical and Aerospace Engineering at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2019 semester to the degree of Masters in Mechanical Engineering. You must maintain a 3.0 GPA within your first semester to remain enrolled in the program. Failure to do so may result in dismissal from the program.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Mechanical and Aerospace Engineering Department and Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. You recently received, or will soon receive, an e-mail message from the Dean of our Graduate School. That message, together with this correspondence, conveys important information regarding UB and your acceptance to our program. General questions about the admissions process should be communicated to the Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

Dear Ankit:

Congratulations! On behalf of the Admissions Committee at New Jersey Institute of Technology, it is my great pleasure to offer you admission to the **Master of Science in Mechanical Engineering**. For over 130 years, NJIT has provided students with cutting-edge, technology-driven education. Today we are one of the nation's leading polytechnic institutions preparing students to be future leaders in technology.

To secure your place at NJIT, please visit njit.edu/admission and submit your \$250 deposit no later than June 1, 2014.

The details of your admission are as follows:

NJIT ID: 11489952

Admission Conditions: Must submit proof of degree completion in first class or higher.

You are encouraged to contact your graduate (graduate@njit.edu) advisor at your earliest convenience to discuss your degree requirements and course selection for the upcoming semester. Classes begin on Tuesday, September 2, 2014.

We are confident that you have much to contribute to the NJIT community and are delighted to welcome you to this program. Please don't hesitate to contact us if you have any questions.

Once again, congratulations on your admission to NJIT!

Sincerely,

Dear Deepthi,

Congratulations on your admission to The University of Texas at Dallas to the Master of Science in Electrical Engineering program for the Fall 2021 semester! We share your excitement as you begin this new stage in your education.

To accept your offer of admission and begin the steps toward enrollment, visit utdallas.edu/nextsteps/graduate.

You must submit official documentation of your degree completion and final transcripts, and will receive an additional letter of information from the department of Electrical and Computer Engineering that may include additional conditions that must be met.

Your out-of-state, non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or admissions@utdallas.edu.

Our faculty and staff look forward to welcoming you to UT Dallas. We promise you a welcoming environment, intellectual challenges, great faculty in your field of study, and a diverse University family.

Dear Sowmya Reddy:

Re: University ID: 2000748410

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's Computer Science MS program beginning in Fall 2021. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon final approval by the Office of International Services and the Dean of the University Graduate School. Your financial documentation must show satisfactory evidence that you now have or will have sufficient funds to finance your proposed program of study at Indiana University. Your financial documentation must be uploaded in Atlas before the Office of International Services can process the appropriate visa eligibility certificate (Form I-20 or DS-2019). After the Office of International Services receives your financial documentation, they will process the appropriate visa eligibility certificate (Form I-20 or DS-2019) and will send you formal notification of admission along with the visa eligibility certificate.

We would like to receive your decision by April 15, 2021, which is in the spirit of the Council of Graduate School Resolution, which states that "students are under no obligation to respond to offers of financial support prior to April 15." If you decide to decline our offer, please let us know as soon as possible as we have more qualified applicants than positions.

Our offer expires on April 15, 2021. If you have any questions or need additional information, please contact GoLuddy@iu.edu. Once you have made your decision, please let us know by completing the Luddy Fall 2021 Student Decision Form at <https://go.iu.edu/3wVd>.

If you have any questions or need additional information, please contact GoLuddy@iu.edu.

We congratulate you on your academic achievements. We are very excited at the prospect of having

Dear Pavan Kumar Moodala Koppala Dora Swamy:

Congratulations! I am pleased to inform you that, after careful assessment of your application, you have been granted admission to the following program:

**Master of Engineering
Information Systems Security**

This is your official letter of acceptance. As an international student, you are required to obtain a Study Permit and a Quebec Certificate of Acceptance (CAQ). Please read carefully the enclosed "International Students Pre-Departure Guide" to determine the procedures.

The attached Offer of Admission gives information about the program to which you have been admitted, any conditions that apply to your admission, and further details regarding financial support. If you have any questions regarding your Offer of Admission, please feel free to contact us via email at graduate-admission@concordia.ca. Please confirm your acceptance of this Offer of Admission in your Student Centre at www.myconcordia.ca by June 15, 2020.

To learn more about your program, please refer to the Gina Cody School of Engineering & Computer Science website at <http://www.concordia.ca/ginacody/programs>. Please contact the program assistant for course registration procedures. Contact information can be found in the following pages. You should arrive in Montreal and register for your courses by September 8, 2020.

Given your achievements, potential and academic intent, I believe that your academic interests will be well served by this program. I take this opportunity to welcome you to Concordia University and wish you every success in your studies.

Dear Sushen,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois at Chicago (UIC) beginning in the Fall 2020 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details of advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is myUIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access myUIC, if you have not already done so. We encourage you to visit the portal regularly check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 998-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Dear Nishitha Maniganahalli Venkatesh,

It gives me great pleasure to inform you that you have been admitted to the Graduate School of Syracuse University. The faculty in Applied Data Science has recommended that you be admitted for Fall 2019 as a Master of Science student. When communicating with the University about your admission, please refer to your unique, nine-digit Syracuse University identification number (SUID): 349616391.

We have created a web gateway for newly admitted graduate students that addresses pertinent enrollment information, some of which may require immediate action on your part. I encourage you to consult it as soon as possible. You will find this gateway at the following web address: http://www.syr.edu/gradschool/em/current_gradchecklist.html.

The credentials that you have presented show your qualification to undertake study and research that will be vigorous, stimulating, and, we trust, rewarding for you. Congratulations and welcome to our graduate community, which has been a vital part of the university since its founding in 1870.

By the end of your first semester of study, you must submit an official transcript from your undergraduate institution which must bear the appropriate signatures and seal of the institution that issued it and must be received by Syracuse University in a sealed envelope directly from that institution. Unsealed documents which may have been in the hands of students are not considered official. After completion of the first semester of graduate study, the Graduate School may prohibit further registration for any student who has not met this requirement. The hold on registration will only be released when this requirement has been met. If you are a domestic student, in accordance with federal Title IV regulations, financial aid will be disbursed to the student account when all financial aid and admission requirements are met, including receipt of official degree bearing transcripts. Please refer to http://www.syr.edu/gradschool/em/current_gradchecklist.html for additional information.

Mohammed Mahabooob Khan

By email: khaa.m.mahabooob@gmail.com

Dear Mohammed Mahabooob,

Congratulations! I am pleased to inform you that the Department of Computer Science and Engineering at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2019 semester to the degree of Masters of Science in Computer Science and Engineering.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Computer Science and Engineering Department and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. You recently received, or will soon receive, an e-mail message from the Dean of our Graduate School. That message, together with this correspondence, conveys important information regarding UB and your acceptance to our program. General questions about the admissions process should be communicated to the Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-5099.

SANTA CLARA UNIVERSITY SCHOOL OF ENGINEERING

Dear Animesh,

On behalf of the School of Engineering Admissions Committee at Santa Clara University, I congratulate you on your acceptance into the Masters of Science in Computer Science and Engineering for the Fall 2019. You are joining a distinguished university in the heart of Silicon Valley and we are excited to see what you can contribute to the engineering field.

Acceptance to the program must be exercised in the quarter for which you have been admitted. To guarantee a place in the program you must respond to this offer within 14 days from the date of this letter. You will find the form to reply to your offer of admission under "forms" link located at the bottom of your application status page. Details on how to pay your \$300.00 nonrefundable enrollment deposit in your Ecampus student portal will be sent to you in a separate email along with your student ID number and temporary password. You must follow these steps in order to complete your admissions.

Please note that you will not be able to register for courses or apply for an I-20 visa (if applicable) without first submitting your deposit.

If you wish to defer your admission to a future term within the same academic year you must first pay the enrollment deposit for the term you were admitted to and submit a request in writing to gradengineer@scu.edu.

Once again congratulations on your admission and welcome to Santa Clara University.

Sincerely,

Dear Karishma Joseph,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Computer Science (MCS) program, offered at the ASU Tempe campus for the 2018 fall semester.

Important: For detailed information regarding I-20 requirements, please visit My ASU at my.asu.edu and the International Admission Services website at international.asu.edu/student-visa.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at my.asu.edu. You can access this page by logging in with your new ASURITE UserID and password.

ASU and Computer Science (MCS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at cidco advising@asu.edu or at 480-955-3199.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity (provost.asu.edu/academicintegrity and researchintegrity.asu.edu).

As a New American University, ASU believes that your education should be not only transformative for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanuniversity.asu.edu. I also recommend you to watch this brief video to find out how current students describe the Sun Devil experience at yourfuture.asu.edu/culture.

We look forward to you joining the ASU Sun Devil family. I wish you success in your graduate studies at Arizona State University.

Dear Rajarika Harish Thirumanyakurupalya,

Congratulations! After careful consideration, the MS faculty admissions committee has accepted your application to the MS in Management Information Systems (MIS) program and is formally inviting you to be a member of the fall 2019 entering class.

Please note that your admission is provisional pending final review by the Office of International Admissions of your application and determination of your eligibility to receive the official documents necessary for a US student visa (should it be required). Additionally, your admission is provisional pending receipt of official transcripts, proof of completion of an earned baccalaureate degree from a regionally accredited college or university by the date of intended enrollment and any other required documents. You will receive further instructions from the UB Office of International Admissions with your I-20 / International Welcome Packet regarding which documents to bring to campus. Do not mail items to the School of Management office as they will be discarded. The University at Buffalo reserves the right to rescind admission and revoke the I-20 Certificate of Visa Eligibility if it learns that any fraudulent documents were submitted, if any false or misleading statements were submitted, or if any required information or documents were omitted as part of your application.

We are enthusiastic about you joining our program. As an accepted student, you are invited to visit our Incoming student website. All incoming MS students are required to attend MS Advantage, which runs August 27 through August 30, 2019. We strongly encourage you to arrive in Buffalo by August 24. International MS students must also attend the University's International Student Orientation. Classes begin on August 26, 2019.

If you choose to accept your spot in the UB MS in MIS program please submit your non-refundable \$2,000 tuition deposit by April 27, 2019. Deposits may be paid via credit card. Your UB person number is required to pay this deposit via credit card. UB Graduate Enrollment Management Services will send you an email on how to access your UB person number within 1-2 weeks after admission notification, but only if you have already uploaded I-20 materials. If you have not uploaded your I-20 materials, please upload them to your application immediately. It can take up to 4 weeks for your I-20 to be issued. Please note that we reserve the right to reject tuition deposits received after the deadline.

Lastly, since networking is such a crucial skill, I encourage you to begin building relationships with faculty members and connecting with the School of Management on social media. Please contact the Graduate Programs staff with questions. I look forward to welcoming you to campus soon!

Sincerely,

Amrutha, congratulations on your admission to The University of Texas at Dallas to the Master of Science in Business Analytics Cohort program, Data Science track, for the Spring 2022 semester! The class work for this program begins on January 10, 2022.

We share your excitement as you begin this next stage in your educational career. Your program director, Bill Hefley, and academic staff will be here to assist you with any questions or concerns you may have throughout the course of your program.

The next step is to accept your offer of admission, and I hope you accept it as soon as possible.

Please also note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog and on the Academic Calendar, both of which are available online. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the [Jindal School of Management page](#).
- Plan time to visit your Program Director to review the requirements of your degree plan and to remove your advising hold. Please plan several visits while you are a student.
- Closer to the beginning of your semester, you will receive an email with information regarding the Jindal School of Management's Graduate Orientation. Please make it a priority to attend this important event. It will provide an opportunity for you to meet your program director.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study. We have high expectations of you and know that you will find the MS in Business Analytics Cohort Program both challenging and rewarding. Should there be any developments that would affect your status in the program, we ask that you keep us informed.

Best Regards,

William E. Hefley, Ph.D., CMBE, CCP, CDF, COP
Clinical Professor and MS Business Analytics Cohort Program Director

Dear Sir/Madam

**OFFER OF ADMISSION
SEMESTER 1, ACADEMIC YEAR 2018/2019**

Congratulations!

I am pleased to inform you that you have been offered provisional admission to NUS in the Department of Biological Sciences, leading to the degree of

**MASTER OF SCIENCE
Full-time Candidate**

This offer is conditional upon you completing your Bachelor's degree and submitting the following documents during registration. You must bring the original documents for verification.

- Photocopy of your Bachelor's degree scroll
- Original or certified copy of your Bachelor's transcript

Period of Candidature

Your candidature will commence from the first day of Semester 1 of Academic Year 2018/2019 on 8 August 2018, OR date of your enrolment, whichever is later. The minimum and maximum period of the M.Sc. candidature is one and three years respectively. Your thesis is due for submission not later than the maximum period of your candidature.

Please note that unless granted approval by the University, no student may concurrently be a candidate for more than one degree or register as a candidate of NUS and of another university or institute.

Tuition Fees

The tuition fees per annum for students admitted in Academic Year 2018/2019 are currently unavailable, it will be updated on the Registrar's Office website at <http://www.nus.edu.sg/master/academic/fees.htm> as soon as Ministry Of Education advises of the applicable amounts for AY2018/2019.

Please refer to Offer Package (pt. 5) for information on fees.

Students who have previously enjoyed government subsidies/scholarships in a graduate programme will not be eligible for MOE subsidy in another graduate programme at the same or lower level. Instead, such students will be liable to pay a higher fee without MOE subsidy for the graduate programme that they now wish to undertake. For example, students who had previously enjoyed subsidies/scholarships in a Master's programme, and have obtained the Master's degree will not be eligible for subsidy in another programme at Master's degree or lower level.
