Principal welcomed all the members of the reconstituted anti-ragging committee.

Principal informed that Dr. Shanmukharadhya will be giving necessary instructions and the members are requested to be diligent in discharging their duties.

Principal read out the circular sent through email to all the staff members regarding ragging free campus. Principal informed that all the staff members, both teaching and non-teaching are empowered to catch hold of any student involving in ragging activity and report the same to the Chairman of the Committee. If there is any ragging case, an enquiry will be conducted by the Disciplinary action committee.

Principal also informed that a Notice is issued to students warning them not to indulge in any ragging activity.

Anti-ragging committee is constituted with some faculty who are residents of staff quarters and also faculty who are coming from the city. Principal requested faculty who are residing in the quarters to go round in the evenings. Principal requested faculty who come from the city to go around the campus during the college hours whenever they do not have classes. Principal asked the wardens to restrict the entry of first year students to Hostels after 6.30 PM. Principal expressed his concern that the hostels have common dining facility which will be used by both freshers and higher semester students. Warden, Men's hostel informed that timings are different for freshers and higher semesters. Principal suggested a separation may be created in the dining hall, one for freshers and the other for higher semesters. Principal suggested that a faculty member should be compulsorily present in the dining hall during breakfast, lunch and dinner time, in both Men's and ladies hostels.

Principal informed that a register will be maintained in the convenor's room. Faculty who goes on rounds have to make an entry after their visit.

Principal requested the committee members to inform first year students not to go out of the campus if called by any senior students.

Principal informed that a separate committee will be constituted to curb ragging activities in the college buses.

Principal informed that Anti-ragging posters are to be displayed in the campus. Further, he said that Helpline numbers will be displayed in various prime places in the campus.

Following are the suggestions given by members.

- Members informed that apart from the core committee, a flying squad was formed for going a round in the campus and hostels, in two shifts. This was stopped since vehicle was not being arranged for the staff who stay after the working hours. Only staff who are in the campus were being assigned with the task. Later since, the CO was denied, faculty lost interest in performing the assigned duty.
- Men's hostel warden requested for more number of security staff.
- Earlier, resident wardens were available in the campus and presently there are no resident wardens. Members requested to appoint the resident wardens which will help in smooth functioning of hostel administration.
- Hoysala may be asked to go round the campus 2-3 times during night.

- CCTVs are to be installed.
- History of ragging cases of a student should be recorded. Principal informed that he has requested ERP personnel to give an option in the software so that the same may be entered in ERP which gives the history of any student.
