ONE DAY AWARENESS WORKSHOP ON NABL ACCREDITATION & ITS BENEFITS ON 26-09-2025

Introduction

Both Quality Assurance (QA) and Quality Control (QC) are crucial in construction and manufacturing to ensure products and processes meet required standards. QA focuses on preventing defects by establishing processes and procedures, while QC focuses on identifying and correcting defects through inspection and testing. Effective implementation of both QA and QC leads to higher quality products, reduced costs, and increased customer satisfaction in both industries. QA, QC are the part of any project or production towards Cost Savings, Process Improvement, Meeting Customer Expectations, Safety, Regulatory Compliance, Supply Chain Management, Brand Reputation etc.,. Hence, Sir MVIT, Bangalore in association with NABL, New Delhi is organising an awareness program on quality procedures, need for NABL accreditation etc.

About the Institution

Sir M. Visvesvaraya Institute of Technology (Sir MVIT) is a Higher Education Institution in the state of Karnataka, founded by the Sri Krishnadevaraya Educational Trust in 1986. The Institute offers thirteen B.E. degree programs. Additionally, the Institute offers six Master's programs: M.Tech. in Robotics and Artificial Intelligence, Electronics, Biotechnology & Biochemical Engineering, Construction Technology, Master of Business Administration and Master of Computer Applications. The Institute is affiliated to Visvesvaraya Technological University and approved by All India Council for Technical Education, New Delhi and six of the programs are accredited by National Board of Accreditation, New Delhi. Sir MVIT is also accredited by National Assessment Accreditation Council with 'A' grade. All departments at the Institute have been recognized as R&D centers by the affiliating university.

About the Department

The Department of Mechanical Engineering was established in the year 1986. The Department has been recognized as R & D Centre by Visvesvaraya Technological University, Belagavi, for carrying out research activities leading to M. Sc. (Engg.) and Ph.D. Degrees. The Department of Mechanical Engineering offers undergraduate Program in Mechanical Engineering with an intake of 60 students & Undergraduate Program in Robotics and Artificial Intelligence with an intake of 60 students. Postgraduate Program in Robotics and Artificial Intelligence with an intake of 18 students. The department is a recognized research centre under VTU and offers Part-time and Full-time Ph.D. and M.Sc.
